Date: 28/Feb/2024

1. Brief overview:

Teerthanker Mahaveer University running academic institution at Moradabad, Uttar Pradesh and educates students in various fields of ALLIED HEALTH PROFESSION PROGRAMS and continues to provide Optometry education in the coming years.

ZEISS is an internationally leading technology company operating in the optics and optoelectronics industries located at Plot No 3, Jigani Link Road, Bommasandra Industrial Area, Bengaluru-560099. ZEISS is shaping technological progress and through its solutions is extending the horizon of the world of optics and associated areas.

Teerthanker Mahaveer University and ZEISS having recognized the benefits to be derived from being associated with each other, wish to execute this MOU for the mutual relationship intended herein to collaborate with the objective to leverage the abundance of young professional talent from India in the areas of Optometry.

Teerthanker Mahaveer University will support with their infrastructure and academic expertise whereas ZEISS will support with industrial expertise in developing young students to make them employable under the "ZEISS Vision Excellence Program".

2. Areas of collaboration

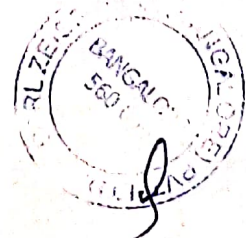

The parties hereto will work together under this MoU to impart industry-relevant support for Optometry students under the ZEISS Vision Excellence Program in the following

2.1 Classroom session

- Guest lecture by ZEISS technical resource
- Technical content support for the program

2.2 Optometry students shall Participate in the Short-term e-learning program "Paathshaala by ZEISS", after the successful completion of the program students will be rewarded by ZEISS with the E- certificate of completion.

2.3 ZEISS Industrial visit for the "Paathshaala by ZEISS" enrolled students

- 2.4 Subject to the availability of open positions at ZEISS Vision Care India, campus interviews/recruitment will be conducted exclusively for third-year students who have successfully completed the Paathshaala by ZEISS program for the ZEISS Internship Program
- 2.5 Subject to the availability of open positions at ZEISS Vision Care India, campus interviews/recruitment will be conducted exclusively for Final-year Optometry students who have successfully completed the Paathshaala by ZEISS program for ZEISS Job Vacancy.
- 2.6 Installation of Ophthalmic Dispensing Unit in the academic partner premises

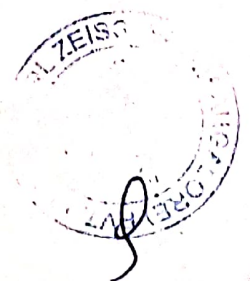

3. Program Structure and Roles of the Academic Partner:

Teerthanker Mahaveer University will invite all the third and final-year students to the program, as well as provide 3 hours to complete the classroom session of the ZEISS Vision Excellence program.

The Classroom Session of the ZEISS Vision Excellence program shall not exceed more than 223 students from Bachelors of Optometry (1st year - 68, 2nd year - 49, 3rd year - 50 & 4th Year- 46) & M.Sc in Optometry (1st year – 8 & 2nd Year – 2)

Teerthanker Mahaveer University undertakes to provide the necessary infrastructure and academic support to run "Paathshaala by ZEISS" under the ZEISS Vision Excellence Program and register all the students in the program initiated by Zeiss.

The Academic Partner will encourage the maximum number of students from the Optometry course to register for the program. Teerthanker Mahaveer University will organize a ZEISS industrial visit lasting for one day. The academic partner will make all necessary arrangements for travel and accommodation for the participants. The Academic partner will connect ZEISS Vision Care with the placement cell and make necessary arrangements for the campus interview process.

4. Program Fees:

There will be no charges under the program for classroom sessions and industrial visits. Both parties mutually agree to levy an enrollment and academic resource fee of INR 1000/- per student for the e-learning program, as well if the students score more than 80% in the Paathshaala by ZEISS program a voucher worth 1000 INR will be provided to that respective student as a token of appreciation.

5. Support from ZEISS:

ZEISS will provide the following support to run the ZEISS Vision Excellence Program this program. Guest lectures by ZEISS technical resources, as well as technical content support for the program, will be provided. As well as support in Industrial visits for the enrolled students. The ZEISS Human Resource team and technical team will conduct a campus interview/recruitment for the students who completed the Paathshaala by ZEISS program. Additionally, the ZEISS vision care marketing team will support installing the Ophthalmic lens dispensing unit with ZEISS dispensing demo materials in academic partner premises.

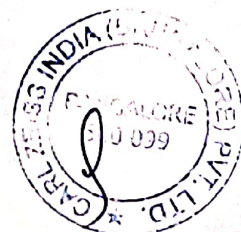

6. Duration

This MoU is for a period of **3 years effective from the last date of Signatures**. It can be extended further by mutual consultation and agreement and terminated earlier with written notice of 1 month in advance from either side.

7. Co-Ordinator's

Prof. Navneet Kumar will nominate its faculty member Mr. Rakesh Kumar Yadav to serve as the coordinator for ZEISS Vision Excellence Program.
