Indian Knowledge Tradition (IKT), our cherished heritage: Dr. Anupam Jain

July 16, 2024 Dr. Anupam Jain, Professor Chair of the Center for Indian Knowledge System (IKS) at TMU and Devi Ahilya University, Indore, delivered an enlightening keynote address at a Faculty Development Program (FDP) hosted by TMU's IKS Center.

Dr. Jain emphasized the significance of Indian Knowledge Tradition (IKT) as a treasure trove of wisdom that has influenced the origins and growth of diverse disciplines. He urged academia to preserve this heritage, as global recognition of India's literature and culture grows. Highlighting government initiatives supporting research in IKT, he encouraged scholars to explore opportunities in this field.

The session, coordinated by Dr. Alka Agarwal, stressed integrating IKT into contemporary education. Dr. Agarwal noted the gap in research on Indian knowledge tradition and encouraged scholars to explore opportunities in the field.

Faculty members from The College of Law, Fine Arts, Medical, Dental, Education, and Paramedical Sciences, actively participated. Notable attendees included Dr. Kanchan Gupta, Mr. Shivam Aggarwal, Miss Mamta Verma, and others.

Dr. Agarwal also outlined upcoming IKS activities and invited suggestions to promote Indian Knowledge Tradition in research and academics, reflecting TMU's commitment to preserving cultural heritage while fostering academic excellence.

College of Law Advocates India's ICC Membership on World International Justice Day

July 17, 2024 College of Law and Legal Studies, hosted a seminar on the International Criminal Court (ICC) in observance of World International Justice Day. The seminar, focused on the ICC's role in addressing grave international crimes, including genocide, war crimes, and crimes against humanity, aimed to promote awareness and dialogue around global justice

Prof. Harbansh Dixit, Dean of the Faculty, highlighted the pivotal role of the ICC in ensuring justice and upholding international law. He emphasized the importance of educating the public about the Court's functioning and its role in holding perpetrators of heinous crimes accountable. Prof. Dixit also advocated for India's membership in the ICC, urging the nation to strengthen its global position in promoting justice and accountability. "India's inclusion would enhance the ICC's ability to enforce international law effectively and demonstrate a commitment to fairness in the global community," he remarked.

The seminar featured insights from experts like Mr. Bishna Nand Dubey, along with esteemed faculty members including Dr. Manish Yadav, Dr. Amit Verma, and others. The event was Conducted by Principal of the Law College, the event underscored the significance of collaborative efforts to combat international crimes, inspiring a vision of a more just and equitable world.

Promote Innovative Teaching Methods for Enhanced Learning Outcomes: Hon'ble Vice Chancellor

July 18, 2024

Hon'ble Vice Chancellor, Prof. V.K Jain, inaugurated a five-day workshop titled "Implementing Innovative Essentials of Nursing Education for Facilitating Students' Learning", organized by Teerthanker Parshvanath College of Nursing (TPCON), Amroha. Addressing educators, Prof. Jain emphasized adopting innovative teaching strategies to meet the evolving needs of students while enhancing learning the outcomes.

In his keynote speech, Prof. Jain stressed the importance of well-planned and engaging teaching methods. "Teaching should be interactive, dynamic, and never monotonous to inspire active participation and motivation among students", he remarked. He also urged faculty to stay updated with developments in their fields and continually explore new techniques to foster a vibrant learning environment.

The workshop, inaugurated with a traditional lamp-lighting ceremony before Maa Saraswati, brought together educators and administrators, including Director of Governance Mrs. Neelima Jain, CTLD Director Prof. RN Krishnaiya, HOD of Pediatrics Dr. Rupa Singh, Dean of Nursing Dr. SP Subhashini, and TPCON Principal Prof. Sheuli Sen.

Knowledge, Skills, and Attitude: Hon'ble Vice Chancellor's Formula for Efficiency

July 18, 2024 Hon'ble Vice Chancellor, Prof. V.K Jain, inaugurated a five-day workshop titled "Implementing Innovative Essentials of Nursing Education for Facilitating Students' Learning", organized by Teerthanker Parshvanath College of Nursing (TPCON), Amroha. Addressing educators, Prof. Jain emphasized adopting innovative teaching strategies to meet the evolving needs of students while enhancing learning outcomes.

In his keynote speech, Prof. Jain stressed the importance of well-planned and engaging teaching methods. "Teaching should be interactive, dynamic, and never monotonous to inspire active student participation and motivation," he remarked. He also urged faculty to stay updated in their fields and continually explore new techniques to foster a vibrant learning environment.

The workshop, inaugurated with a traditional lamp-lighting ceremony before Maa Saraswati, brought together educators and administrators, including Director of Governance Mrs. Neelima Jain, CTLD Director Prof. RN Krishnaiya, HOD of Pediatrics Dr. Rupa Singh, Dean of Nursing Dr. SP Subhashini, and TPCON Principal Prof. Sheuli Sen.

Workshop on "Essential and Advanced Research Tools for Academic Writing" by FOE-CCSIT

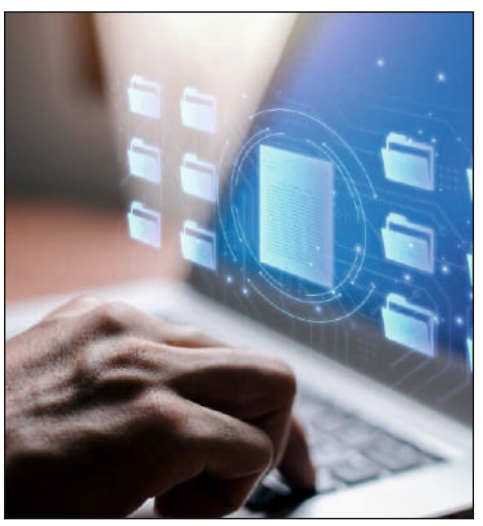

July 29, 2024 The Faculty of Engineering and CCSIT conducted a workshop titled "Essential and Advanced Research Tools for Academic Writing ", designed to elevate participants' to enhance research and writing capabilities, the workshop was open to both offline and audiences attracted a diverse group of learners.

Renowned experts, including Prof. (Dr.) R.K. Dwivedi, Dr. Shalini, Dr. Nuparam, Dr. Parag, Dr. Ashok, Dr. Shambhu, Dr. Ashendra, and Dr. Ranjana, led sessions on essential tools, methodologies, and advanced techniques in academic writing. Coordinated by Dr. Parag Agarwal and Mr. Amit Vishnoi, the workshop offered hands-on training and fostered an engaging, interactive environment. This initiative reflects TMU's commitment to fostering research excellence and professional

College of Law Files Patent for Innovative Automated Legal Document System

July 22, 2024 College of Law & Legal Studies (CLLS) has filed a patent application titled "Method and System for Automated Legal Document Categorization" developed by Prof. Dr. Sushil Kumar Singh, Dr. Parag Agarwal and Mr. Amit Vishnoi, The patent (Application Number is 202411055768), emphasizes on the automation to streamline the organization and management of extensive legal document collections. This patent filing represents the institution's commitment to integrate technology into legal education and practice. By enhancing efficiency in document management, the system promises to transform focus on automating traditional processes within the legal field. With the application now marked as "Filed," the college eagerly anticipates further developments and final approval. This innovation exemplifies TMU's dedication to pioneering research and fostering advancements in legal technology, reinforcing its position as a leader in

Faculty Development Programs by CTLD: Enhancing Academic Excellence

July 30, 2024 Centre for Teaching, Learning, and Development (CTLD) wrapped up a series of transformative Faculty Development Programs (FDPs) conducted between June 10 to July 30, 2024, these initiatives aimed to advance faculty research, teaching, and professional expertise, reinforcing TMU's commitment to educational excellence.

Boosting Research Capabilities

The FDP on "Research and Development," a comprehensive 40-day initiative, trained 180 faculty members across four batches. The program featured a structured 15-hour module addressing key research themes such as Basics of Research, Research Design, and Problem Identification. Inaugurated by the Vice Chancellor Prof. V.K. Jain on June 10, 2024, the program emphasized cultivating a research-focused academic environment. Faculty participants praised the program's practical insights and expressed renewed confidence in their research endeavors.

Advancing Academic Systems

The FDP on "Academic Systems and Processes," held from June 24 to July 30, 2024, introduced over 50 faculty members to contemporary academic practices. Topics included the National Education Policy 2020, Outcome-Based Education, and the Choice-Based Credit System. Guided by university experts, the program featured a keynote address by the Vice Chancellor Prof. V.K. Jain, highlighting the evolving roles of educators in today's academic landscape. Participants described the sessions as transformative, noting that they are ready to implement modern educational frameworks.

Developing Professional Skills

The FDP on "Professional Skills" engaged over 90 faculty members, focusing on interpersonal and communication skills. With sessions on Transactional Analysis, Interpersonal Communication, and Cordial Relationships, trainers like Prof. (Dr.) R.N. Krishna and Dr. Jasmine Stephen provided hands-on learning experiences. Participants reported marked improvements in personal and professional interactions, ready to incorporate these skills into their teaching methodologies.

A Step Towards Excellence

Collectively, these FDPs have reshaped the faculty's capabilities, fostering a culture of innovation and collaboration at TMU. Certificates of completion were awarded to participants, who expressed gratitude for the opportunity to grow as educators and researchers. CTLD's ongoing efforts promise a future of impactful initiatives, further solidifying TMU's position as a pioneer in academic excellence and professional development.

Importance of Four Key Learning Styles for Enhanced Student Engagement and Academic Success: Dean-Academic

July 23, 2024 Teerthankar Parshvanath College of Nursing, concluded a five-day Faculty Development Program (FDP) on "Importing Innovative Essentials of Nursing Education for Facilitating Students' Learning." The program, aimed to enhance the teaching capabilities of nursing educators and improve student learning outcomes.

During the inaugural session, Prof. Manjula Jain, Dean Academics, delivered an insightful keynote address. She discussed the importance of adapting teaching methods to accommodate various learning styles, including visual, auditory, reading/writing, and kinesthetic. Prof. Jain elaborated on the VARK model and Honey and Mumford's learning styles, as well as Kolb's experiential learning model, which includes four stages: active experimentation, concrete experience, abstract conceptualization, and reflective observation. She emphasized how integrating these learning styles into teaching strategies can enhance student engagement and knowledge retention.

The FDP included nearly two dozen sessions on diverse teaching and learning strategies, ultimately aiming to refine nursing educators' approaches and improve overall student learning.

Key figures graced the occasion, including Director Governance Mrs. Neelima Jain, Nursing College Dean Dr. SP Subhashini, and Vice Principal Prof. Jasleen M.

Strive to Be a Job Provider, Not a Job Seeker: Hon'ble Vice Chancellor

August 01, 2024 Teerthanker Mahaveer University (TMU), Moradabad, hosted a two-day Mentor-Mentee Exposure Visit and Training Program for five mentee institutes from Uttar Pradesh, Uttarakhand, and Delhi. Organized by the Ministry of Education's Innovation Cell (MIC), the event aimed to help these institutes establish strong innovation and entrepreneurship ecosystems.

In his keynote address, TMU Vice Chancellor Prof. V.K Jain emphasized the importance of fostering innovation and entrepreneurial skills in higher education. He encouraged institutions to "become job providers, not seekers," and highlighted the role of knowledge, skills, and attitude (KSA) in success. Using 13-year-old entrepreneur Tilak Mehta as an example, he stressed values like honesty, integrity, and hard work.

The event was inaugurated by Prof. Jain, along with key TMU leaders. The university received a Rs. 2.25 lakh grant to support the mentee institutes. Participants visited TMU's pre-incubation and incubation facilities, gaining valuable insights from IPR and startup experts. The program concluded with a tour of the facilities, strengthening the collaboration to promote innovation across academic institutions.

Prof. Dwivedi delivers valuable research insights

August 01, 2024 A two-day workshop on "Basic and Advanced Research Tools" concluded at the College of Computing Sciences and Information Technology (CCSIT). Organized by the College Research Committee (CRC), the workshop aimed to enhance research skills among participants by covering essential methodologies, tools, and best practices.

Prof. R.K. Dwivedi, Principal of CCSIT and the Faculty of Engineering (FOE), delivered the keynote address, sharing his personal research experiences and emphasizing dedication and passion in pursuing a PhD. The workshop, which included four blended-format sessions, featured eight experts discussing various research topics.

Dr. Parag Agarwal highlighted important aspects of TMU's Ph.D program, while Dr. Nuparam Chauhan demonstrated reference management software. Dr. Ranjana Sharma introduced research databases like Web of Science and Scopus, and Prof. Ashok Kumar focused on research paper writing best practices. Around 80 researchers participated, with faculty members contributing actively, showcasing TMU's commitment to research excellence.

TMU Partners with Sukanti NGO for a Plastic-Free Campus Initiative

August 06, 2024 Teerthanker Mahaveer University (TMU) partnered with Sukanti NGO to launch a Plastic-Free Campus Drive featuring a unique cloth donation campaign. MBBS students, faculty, and staff contributed approximately 400 old clothing items, including jeans, shirts, curtains, and bedsheets to be repurposed into reusable bags, promoting sustainable alternatives to plastic.

The event was graced by dignitaries such as Prof. S.K. Jain, Dean, Medical College, Prof. Preethpal Singh Matreja, Vice Principal, and senior faculty members Prof. Seema Awasthi and Prof. Prerna Gupta. Students Kesar Khanna, Riya Yadav, Sambhav Badkul, and Aastha Sharma actively participated in the initiative.

Adding an artistic touch, Sukanti NGO's team, led by MBBS students, performed a compelling street play highlighting the dangers of plastic pollution. The play featured standout performances by students Asmit Yadav, Angel Arora, and others, effectively spreading awareness.

Spearheaded by Sukanti NGO's founder, Dr. Arpan Rastogi, with support from Dr. Shivam Sirohi, the campaign also included a Blessing Board for motivational messages from attendees, praising the students' efforts.

This initiative underscores TMU's dedication to environmental sustainability and practical measures to combat plastic waste.

TMU Collaborates with IIT Indore's Drishti CPS Foundation to Foster Cloud Computing and Innovation

August 7, 2024 Teerthanker Mahaveer University (TMU) has signed a landmark Memorandum of Understanding (MoU) with IIT Indore's Drishti CPS Foundation focusing on advancing technological education and innovation. This collaboration, spearheaded by TMU's College of Computing Sciences and Information Technology (CCSIT), aims to equip students with expertise in cutting-edge technologies such as Amazon Web Services (AWS) cloud infrastructure.

The MoU signing ceremony was attended by TMU Vice Chancellor Prof. V.K Jain, CCSIT Principal Prof. Rakesh Kumar Dwivedi, and Drishti CPS Foundation's Technology Head, Dr. Dheeraj Rane. Senior AWS trainers and faculty members, including Prof. Ashendra Kumar Saxena and Dr. Rupal Gupta, were also present.

Prof. Jain highlighted the collaboration as a transformative step for students, offering hands-on experience with scalable and secure cloud solutions. A preceding ten-day AWS workshop, trained over 100 participants, covering key modules like AWS Computer, Storage, Networking, and Security. Certificates were awarded to participants during the closing ceremony.

This partnership is poised to bridge academic learning with industry demands, fostering research, innovation, and career readiness among TMU students.

PNB Officials and Hon'ble Chancellor Promote Sustainability with Tree Plantation Drive

August 08, 2024 In a drive towards environmental sustainability, Punjab National Bank (PNB) officials, including Meerut Zonal Manager Mr. Balveer Singh and Moradabad Circle Head Mr. Anand Kumar, joined Hon'ble Chancellor Shri Suresh Jain in a tree plantation event on the university campus. TMU Executive Director Mr. Akshat Jain also participated, reinforcing the institution's commitment to a greener future.

Hon'ble Chancellor Jain emphasized the global responsibility of planting trees, urging society to adopt sustainable practices. Executive Director suggested incorporating sapling gifting into celebrations like birthdays and weddings to promote eco-consciousness.

The 140-acre TMU campus, home to over 20,000 trees and fragrant flowering plants, exemplifies its "Clean TMU-Green TMU" mission. Medicinal trees like Neem, Jamun, and Amaltas enhances the lush environment. This collaborative effort underscores the shared commitment of PNB and TMU to environmental stewardship and a sustainable future.

TMU Dental College Commits to a Drug-Free India

August 13, 2024 As part of the nationwide Drug-Free India Campaign, the NSS unit of Teerthanker Mahaveer University (TMU) organized an impactful oath-taking ceremony at Dental College and Research Center. The students of BDS and MDS united to pledge their commitment to a drug-free nation, with the ceremony concluding with the national anthem, symbolizing collective resolve against addiction.

The event was graced by dignitaries including Dean of Student Welfare Prof. M.P. Singh, NSS Coordinator Dr. Ratnesh Jain, Principal of Dental College Dr. Pradeep Tangade, Vice Principal Dr. Ankita Jain, and Assistant Registrar Mr.Deepak Malik.

Prof. M.P. Singh inspired attendees with a motivational address, urging students to prioritize self-improvement over harmful habits. He highlighted the support offered by TMU's confidential de-addiction center for anyone in need.

Students actively participated and shared perspectives on combating drug abuse. Student speakers Vanshika Tyagi, Ragini Tripathi, and Apoorv Kaushik underscored the importance of awareness and collective effort. Participants included Harshit Jain, Tulika Saxena, Shraddha Jain, and others.

The event was conducted seamlessly by Dr. Malvika Agarwal. The initiative reflects TMU's commitment to fostering a healthy, drug-free campus and advancing the national fight

TMU Hosts Grand Tiranga Yatra 3.0 to Celebrate Patriotism and Unity

August 14, 2024 Teerthanker Mahaveer University (TMU) organized its third Tiranga Yatra, a vibrant patriotic procession that brought the campus alive with the colors of the national flag. Thousands of students, faculty, and staff joined the march, chanting slogans like Vande Mataram, Bharat Mata Ki Jai, and Inquilab Zindabad, creating an electrifying atmosphere of unity and pride.

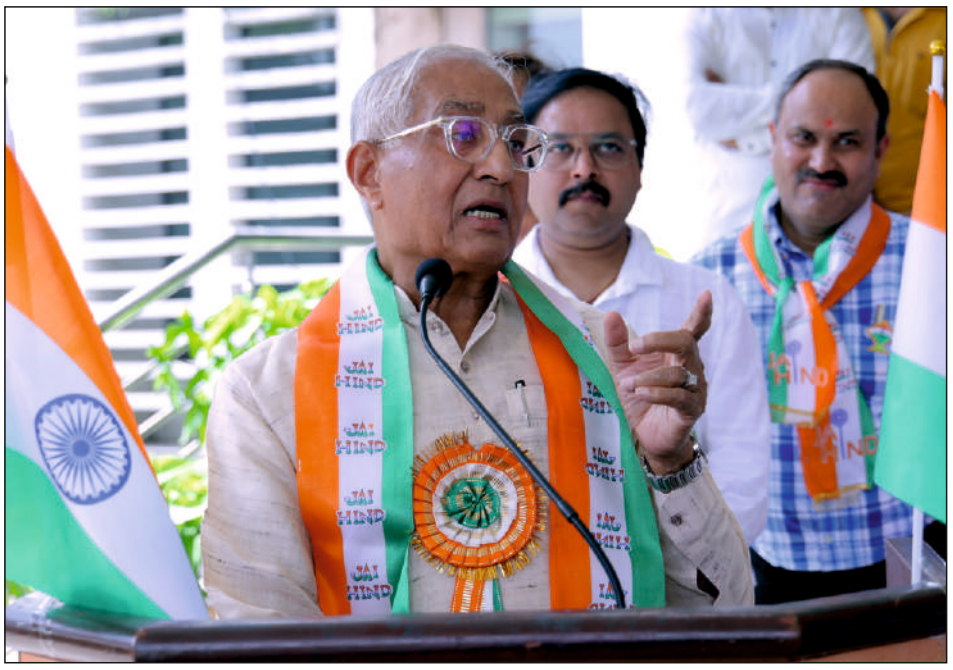

The procession commenced at the Indoor Sports Stadium, led by Hon'ble Chancellor Shri Suresh Jain, whose spirited participation infused the crowd with enthusiasm. Accompanying him were GVC Shri Manish Jain, The Executive Director Shri Akshat Jain, Hon'ble Vice Chancellor Prof. V.K Jain, and other dignitaries. The Yatra traversed the Cricket Ground and Tank Park, culminating at the Examination Building, where participants formed a symbolic Akhand Bharat.

The event featured a flag-hoisting ceremony and the national anthem, reinforcing a shared sense of patriotism. Organized under the guidance of Dean of Students

Welfare Prof. M.P. Singh and coordinated by Dr. Madhav Sharma, the Yatra honored revolutionary leaders through portraits carried by participants. The event concluded with students taking proud selfies with the tricolor, symbolizing TMU's commitment to fostering a united and progressive India.

TMU Chancellor Urges Youth to Embrace Positive Vibes at Independence Day Celebration

August 15, 2024 Teerthanker Mahaveer University (TMU) marked the 78th Independence Day with a grand flag-hoisting ceremony and an inspiring address by Chancellor Mr. Suresh Jain. In his speech, he urged the youth to embrace positivity and commit to the nation's progress, stating, "The path to national growth lies in positive thinking and cooperation. The youth must rise above rivalries and support the needy, channeling their energy toward development."

The event began with the national anthem, followed by slogans like Jai Hind, Jai Bharat, and Vande Mataram, led by the Chancellor himself. Highlighting the importance of unity, he paid homage to freedom fighter Mr. Daau Dayal Khanna and reflected on the legacy of the Quit India Movement. Sharing his personal journey, he recounted how portraying Lord Krishna in his student days inspired his commitment to positivity and responsibility.

Hon'ble Chancellor expressed pride in TMU alumni excelling globally and credited their success to the dedication of teachers and parents. "A teacher's joy in a student's progress is unmatched," he remarked.

Alongside the main campus celebration, flag-hoisting events were held at Faculty of Education, TMIMT and College of Agriculture as well. Notable attendees included university leaders and a large gathering of students and staff. The Chancellor's message of patriotism and positivity resonated deeply, inspiring everyone to contribute to India's unity and prosperity. The program was anchored by Dr. Madhav Sharma.

Independence Day Celebrations Spark Competitive Spirit at TMU's Free Thinkers Club

August 17, 2024 Faculty of Engineering, and Free Thinkers Club hosted a series of competitions celebrating patriotism and creativity. Students showcased their oratory and poetic talents in speech and poetry recitation contests.

In the speech competition, Nazir Gufran (BCA-3rd year), secured first place, followed by Anshika Yadav (B.Sc. Hons, Mathematics-3rd year) and Nikita Aulakh (BCA,3rd year) in second and third place, respectively. Divya Verma (B.Sc. Hons, Mathematics, 3rd year) won the poetry recitation competition, with Nazir Gufran and Khushi Jain (BCA,3rd year) earning second and third places.

The event commenced with a traditional lamp-lighting ceremony honoring Maa Saraswati, symbolizing wisdom and enlightenment. Prof. R.K. Dwivedi, Principal of FOE and CCSIT, inaugurated the event. Esteemed judges, Dr. Sandeep Verma and Mr. Arun Kumar Pipersenia, evaluated participants on criteria like content, voice modulation, body language, and timing.

Dr. Sonia Jayant, Coordinator of the Free Thinkers Club, expressed gratitude to participants and attendees. The program was skillfully conducted by Nikita Aulakh, with coordination by Ms. Indu Tripathi and Dr. Zarin Farooq.

The competitions inspired students to articulate their ideas, fostering unity and pride in the nation while providing a platform for young talent to shine.

Induction Program for Research Scholars Emphasizes Research Excellence

August 30, 2024 TMU hosted an insightful induction program for its July-2024 batch of Ph.D scholars, introducing them to the university's research priorities and support system, including fellowships of ₹25,000 to ₹30,000 per month for eligible scholars.

Hon'ble Vice Chancellor Prof. V.K Jain emphasized that research is a systematic journey, advising scholars to dedicate six months to an extensive literature review. "Completing the coursework takes you to 25% of the journey," he noted.

The program commenced with a lamp-lighting ceremony in front of Maa Saraswati, symbolizing enlightenment in research. Scholars were also introduced to key aspects such as Intellectual Property Rights (IPR), high-impact publications, and rigorous Ph.D standards by esteemed academicians like Prof. Manjula Jain, Prof. Vipin Jain, and Dr. Jyoti Puri. With over 60 new scholars participating, the program reinforced TMU's commitment to research excellence, providing resources and guidance to

Breast feeding -A Lifeline for Newborns: Dr. Sonali Svetalina Das

August 17, 2024 Dr. Sonali Svetalina Das, from the Department of Obstetrics and Gynecology at Teerthanker Mahaveer Hospital, highlighted the importance of exclusive breastfeeding during her expert talk, "Closing the Gap: Breastfeeding Support for All," organized by the Nursing College. She described breastfeeding as a "boon" for mothers and infants, emphasizing its role in strengthening immunity, preventing infections, and fostering both physical and mental development in children. Dr. Das also noted breastfeeding's benefits for mothers, including a reduced risk of breast and ovarian cancers.

The event began with a traditional lamp-lighting ceremony in honor of Maa Saraswati, attended by dignitaries such as Nursing College Dean Prof. S.P. Subhashini, Vice Principal Prof. Jasleen M., and faculty members, including Prof. Vijimol and Dr. Sapna Singh. Practical demonstrations on breastfeeding techniques were conducted to ensure comfort for mothers and infants, while the Obstetrics and Gynecology Department engaged with families to promote awareness of breastfeeding's long-term advantages.

Faculty from the Nursing College elaborated on the nutritional value of breast milk and the risks of not breastfeeding. The program concluded with certificate distribution and nutritious food for pregnant women, fostering greater societal awareness of breastfeeding.

Deeksharambh - Student Induction Program (SIP) Focuses on NEP Steps and Future Plans

August 30, 2024

Teerthanker Mahaveer University (TMU) reaffirmed its strong commitment of the New Education Policy (NEP-2020) during six days the Student Induction Program (SIP), with Hon'ble Vice Chancellor Prof. V.K Jain elaborating on the proactive steps taken to implement NEP in the 2022-23 academic year. Prof. Jain highlighted key transformative changes, such as the introduction of four-year undergraduate programs. Students now have the option to graduate with a degree after three years or pursue honors or research degrees, provided they meet the criteria of 75% marks and a CGPA of 7.5. He encouraged students to focus on their studies, especially during the first three years.

Prof. Jain also discussed about the career opportunities and explained the concept of "SMART" goals as a path to success. The program began with a ceremonial lamp-lighting, led by Dr. Madhav Sharma, symbolizing wisdom and enlightenment.

Students were introduced to TMU's resources, including the Corporate Resource Center and sports facilities, while various orientations provided insight into the academic offerings and campus life. The event concluded with the National Anthem, marking the beginning of an exciting academic journey. TMU's initiatives emphasize its unwavering dedication to providing quality education and fostering holistic student development. The University level SIP was coordinated by Dr. M.P. Singh, Dean Students Welfare.

Minute to Minute Schedule

TIME	ACTIVITY	RESOURCE PERSON
10:00 – 10:10	Lamp Lighting	DSW office
10:10 – 10:25	About the University	Registrar
10:25 – 10:35	Blessings	Hon'ble Vice-Chancellor
10:35 – 10:45	Academic Structure	Dean Academics
10:45 – 10:55	Students' Welfare	Dean Students' Welfare
10:55 - 11:05	Digital Marketing	Manager, Digital Marketing
11:05 – 11:15	Discipline	Chief Proctor
11:15 - 11:25	Examination Structure	Controller of Examination
11:25 – 11:35	Hostel Rules & Regulations	Chief Warden
11:35 – 11:45	CTLD - Presentation	Director - CTLD
11:45 – 11:55	CRC	Joint Director - CRC
11:55 – 12:05	Sports Facilities	Principal, Physical Education
12:05 – 12:15	Library Facilities	Chief Librarian
12:15 – 12:25	College Orientation	Dean/ Principal - College
12:25 – 12:30	Vote of Thanks & National Anthem	Anchor - Dr. Madhav Sharma

Note:

1) Student Induction Program will be of 02 days: One Day at University level & Another Day at College level.

2) Colleges are free to extend the induction program as per the statutory council requirements with the prior approval of Hon' Vice- Chancellor.

3) If the university level induction programs are not on the day 1 then Dean/ Principal of the concerned college are advised to start their teaching as per the college time table/ university calendar and send the students on the specific date as mentioned above for the induction program.

4) University level programs would be coordinated by DSW office.

Dental College Observes Anti-Ragging Week with Oath Ceremony and Poster Competition

August 23, 2024 In a powerful display of its commitment to a ragging-free campus, the Dental College and Research Center of observed Anti-Ragging Week, aligning with UGC guidelines. The event featured an anti-ragging oath ceremony and a poster competition aimed at promoting awareness about the harmful effects of ragging.

Dr. Ankita Jain, Vice Principal of the Dental College, led students in taking the anti-ragging pledge, emphasizing the university's unwavering stand against ragging. "TMU strives to maintain a respectful and inclusive environment for all. This pledge reflects our dedication to fostering a culture of safety and mutual respect," she said.

A highlight of the week was the creative poster competition, where first and second year BDS students presented impactful messages through their artwork. Winning entries included:

1. Save Lives, Stop Ragging
2. Say No to Ragging
3. Anti-Ragging Free Campus
4. Stand Up, Speak Up, Stop Ragging

Certificates were awarded to winners in recognition of their efforts. Dr. Pradeep Tangde, Principal, applauded the participants and stressed the importance of such initiatives in cultivating a ragging-free academic culture.

Active participants included Tayyaba Zainab, Aadiya Zahra, Apoorva Shri, Dhruv Saxena, and others. The event reinforced TMU's dedication to a safe, inclusive campus, setting a benchmark for discipline and respect in education.

TMU Secures ₹41.58 Lakh Research Grant from UPCST for Innovative Projects

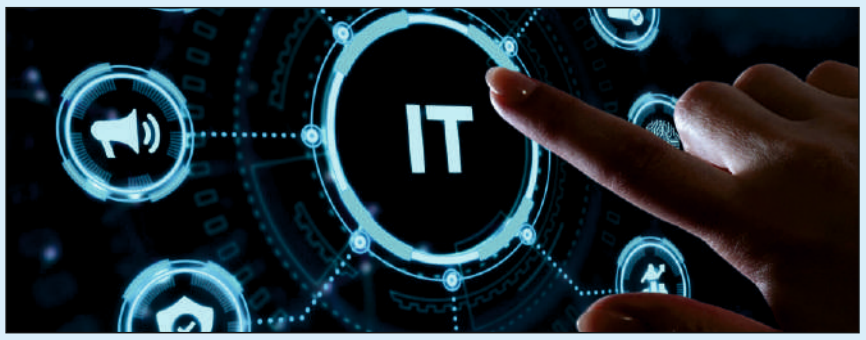

August 31, 2024 Teerthanker Mahaveer University (TMU), Moradabad, has been awarded a ₹41.58 lakh research grant from the Uttar Pradesh Council of Science and Technology (UPCST) for three groundbreaking projects. The projects, to be completed within three years, spans pharmacy and engineering disciplines.

Dr. Pushpendra Kumar Shukla received ₹14.36 lakh for his research on "Identification of Adulterants and Substitutes Based on Chemo type and Biological Potential of Selected Threatened Indian Medicinal Plants." Prof. Anurag Verma and Prof. Amit Verma were awarded ₹12.36 lakh for developing "Topically Applied Novel Formulations for Age-Defying Effects." Additionally, ₹14.86 lakh was granted to Dr. Amit Gangwar for his project on "Transition Metal Dichalcogenides Polymer Hybrid Based Wearable Nanosensors," with Prof. RK Dwivedi as Co-Principal Investigator.

TMU's Executive Director, Mr. Akshat Jain, called this achievement "extraordinary," while Chancellor Mr. Suresh Jain and GVC Mr. Manish Jain reaffirmed the university's commitment to global excellence.Hon'ble Vice Chancellor Prof. V.K Jain emphasized that the grant reflects TMU's dedication to meaningful research, supported by Prof. Piyush Mittal, who highlighted the university's robust R&D framework.

This milestone reinforces TMU's standing as a leader in multidisciplinary innovation and research excellence in India.

Rupal Gupta awarded Ph.D in Information Technology

August 24, 2024 The College of Computing Sciences and Information Technology (CCSIT), celebrated a significant achievement as Mr. Rupal Gupta, a distinguished faculty member, was awarded Ph.D in Information Technology by Guru Gobind Singh Indraprastha University, New Delhi. His research, supervised by Professor Dr. Sanjay Kumar Malik, focused on Semantic Web and Query Optimization, aiming to improve web search engines for more accurate and relevant search results. Mr. Gupta has presented papers at three international conferences and published four research articles in SCI and Scopus-indexed journals. With 21 international publications and a patent, he continues to contribute significantly to research and academia.

TMU Hosts National Cadaveric Airway Workshop for Advanced Medical Training

September 02, 2024 Medical College organized a nine-hour National Cadaveric Airway Workshop, bringing together postgraduate students and experts to explore advanced airway management techniques. Hosted by the Departments of Anesthesia and Anatomy, the workshop emphasized hands-on training, practical demonstrations, and the latest airway management guidelines, particularly for cancer patients.

Renowned specialists from Abu Dhabi, Uttar Pradesh, Uttarakhand, Delhi, and Bihar led engaging sessions on critical topics:

- **Tracheostomy:** Dr. Pulak Puneet (Life Care Hospital, Abu Dhabi) highlighted tracheostomy's importance for patients requiring prolonged ventilation.
- **Ultrasound in Airway Management:** Dr. Santosh Sharma (BRD Medical College, Gorakhpur) discussed enhancing intubation safety using ultrasound.
- **Submental Intubation:** Dr. Ajit Kumar (AIIMS, Patna) demonstrated its minimally invasive use in oral surgeries.
- **Retrograde Intubation:** Dr. Saurabh Vij (AIIMS, Delhi) showcased this method's effectiveness in reducing airway injuries.
- **Surgical Cricothyrotomy:** Dr. Nazia Nazar (GIMS, Noida) presented it as a temporary life-saving solution.
- **Difficult Airway Algorithm:** Dr. Saeed Mueed (AMU, Aligarh) emphasized systematic approaches for urgent situations.

Prof. Rajul Rastogi underscored imaging tools like CT scans and ultrasound-guided intubation for complex cases. Encouraging active participation, TMU Medical College Principal Dr. NK Singh and Dean of Academics Dr. SK Jain hailed the workshop as a milestone event.

The program concluded with certificate distribution and a commitment to advancing medical excellence, reaffirming TMU's dedication to bridging theory and practice in healthcare education.

Guest Lecture on "Lean Startup and MVP for Budding Entrepreneurs"

September 04, 2024 College of Paramedical Sciences recently organized a guest lecture on Lean Startup and Minimum Viable Products (MVP), featuring Dr. Narottam Sharma, Director of the DNA-Lab Center for Applied Sciences, Dehradun. Dr. Sharma emphasized the MVP's significance in startups, explaining how delivering a basic yet functional product enables entrepreneurs to validate ideas, gather customer feedback, and refine offerings efficiently.

He highlighted the importance of understanding customer needs, addressing challenges during product development, and iterating based on real-world input. Drawing from practical examples, Dr. Sharma provided actionable tips for transforming innovative ideas into successful businesses.

The session began with a warm welcome by Principal Prof. Navneet Kumar and saw active participation from faculty members, including Dr. Ruchi Kant (HOD, Medical Lab Techniques), Mr. Ravi Kumar (HOD, Forensic Science), and Mr. Rakesh Yadav (HOD, Optometry). Students from various departments engaged enthusiastically in the interactive Q&A session.

This enriching event underscores TMU's commitment to fostering entrepreneurship, equipping students with tools for real-world success, and inspiring innovation across disciplines.

TMU Celebrates Teacher's Day with Nation Builder Awards

September 05, 2024 On Teacher's Day, commemorating the birth anniversary of Dr. Sarvepalli Radhakrishnan, the Rotary Club of Moradabad honored 25 distinguished individuals with the Nation Builder Award at Teerthanker Mahaveer University (TMU). Among the recipients were Hon'ble Vice Chancellor Prof. V.K Jain and Dean Academics Prof. Manjula Jain, recognized for their dedication to education and nation-building.

The award ceremony, held in TMU's new administrative building, saw participation from Chancellor Mr. Suresh Jain, GVC Mr. Manish Jain, Executive Director Mr. Akshat Jain, and Rotary Club dignitaries, including President Colonel Atul Bhatnagar. The event, anchored by Dr. Madhav Sharma, awarded certificates and pearl garlands to 19 faculty members and six Central Admin Team members.

Students across TMU colleges celebrated the day with cultural performances, floral tributes to Dr. Radhakrishnan, and expressions of gratitude, strengthening the educator-student bond.

Shreeji's Majestic Rath Yatra Captivates TMU

September 22, 2024 The Rath Yatra of Shreeji, a grand spiritual event at Teerthanker Mahaveer University (TMU), showcased unparalleled devotion and community spirit. Thousands of Shravakas, Shravikaas, and dignitaries participated, transforming the campus into a vibrant hub of faith. Starting from the Jinalaya, the procession passed key landmarks, including hostels, residences, the Sports Complex, and the Administrative Block, before concluding at Riddhi-Siddhi Bhawan. Led by Karmayogi Kshullkaratna 105 Shri Samarpan Sagar Ji Maharaj, Hon'ble Chancellor Shri Suresh Jain, and his family, the yatra featured enchanting Garba performances, student dances, and devotional Jain bhajans like "Udi-Udi Jaye." Rituals such as washing Shri Maharaj's feet and offering Jinvaani added sacred significance.

Prominent Jain families and dignitaries graced the occasion, which concluded with a Vatsalya Bhojan at the Chancellor's residence. This meticulously organized event celebrated Jain dharma, fostering unity and left a profound spiritual impact on the TMU community.

TMU Prepares for Smart India Hackathon 2024

September 06, 2024

Teerthanker Mahaveer University's (TMU) Faculty of Engineering (FOE) and College of Computing Sciences and IT (CCSIT) geared up for the prestigious Smart India Hackathon 2024. A total of 120 students, grouped into 18 teams (9 focused on software and 9 on hardware) competed in the first phase of this nationwide innovation challenge. The event, organized by the Central Government sought solutions to 171 software problems and 68 hardware challenges.

TMU has a history of success in the Hackathon with teams Techhackers and Technohackers winning ₹1 lakh each in 2020 for their innovative solutions for the Airport Authority of India and the Ministry of Agriculture, Government of Bihar.

Executive Director Mr. Akshat Jain lauded the initiative as a "confluence of creation and innovation" and expressed confidence in TMU students excelling once again. Prof. RK Dwivedi, Director of FOE and CCSIT, emphasized the university's consistent participation since 2017, noting Vice Chancellor Prof. VK Jain's personal support during presentations.

TMU's commitment to innovation extends beyond the Hackathon. During the pandemic in 2021, the university hosted a Talkathon competition to inspire creativity amid challenges. The Smart India Hackathon 2024 reflects TMU's dedication to fostering innovation and empowering students to transform ideas into impactful solutions.

Dashlakshan Mahotsav: A Celebration of Spirituality, Culture, and Harmony

September 09, 2024 TMU Jinalya Family hosted the magnificent "Dashlakshan Mahotsav" from September 9 to 18, 2024, a vibrant celebration of spirituality, devotion, and Jain cultural heritage. The festival showcased an inspiring blend of religious rituals, cultural performances, and profound teachings rooted in the virtues of Jain Dharma, leaving a lasting spiritual impact on all attendees.

Religious Observances and Rituals

The Dashlakshan Mahotsav centered around ten Jain virtues, including Supreme Forgiveness (Uttam Kshama), Supreme Humility (Uttam Mardav),Supreme Honesty (Uttam Aarjav), Supreme Purity (Uttam Shauch),Supreme Truthfulness (Uttam Satya),Supreme Self-Restraint (Uttam Sanyam), Supreme Penance (Uttam Tap), Supreme Renunciation (Uttam Tyag), Supreme Non- Attachment (Uttam Akinchanya), Supreme Celibacy (Uttam Brahmacharya). Rituals such as Dev Shastra Guru Puja, Solah Karan Puja, Dashlakshan Puja, and Panchmeru Puja were performed in the serene environment of TMU's Riddhi-Siddhi Bhavan, under the guidance of revered Jain preacher Acharya Rishabh Jain Shastri Ji.

Golden and silver kalash (sacred urns) were used in Shanti Dhara and Abhishek ceremonies, symbolizing purity and devotion. Prominent participants included Chancellor Shri Suresh Jain, First Lady Smt. Veena Jain, Group Vice Chairman Shri Manish Jain, Smt. Richa Jain, Executive Director Shri Akshat Jain and Smt.Janhvi Jain, who led the ceremonies alongside faculty, students, and devotees.

Cultural Splendor

The Mahotsav seamlessly combined spiritual practices with cultural vibrancy. Students from TMU's various colleges captivated audiences with their artistic renditions of Jain teachings through thought-provoking plays:

"**Chandanbala**" depicted the trials and faith of a devout Jain princess.

"**Adipurana**" showcased the journey of Lord Adinath, the first Teerthanker, and emphasized spiritual renunciation.

"**Pathik Ke Satya**" paid homage to Jain monks Akalank and Niklank, portraying the transformative power of penance.

Traditional dances, soulful bhajans, and the recital of the Bhaktamar Stotra added to the grandeur. Highlights included mesmerizing performances like "Rangma Rangma Re" and "Aao Prabhu Mere Mann Mandir Mein" by Siddharth Jain and his team from Bhopal, uplifting the spiritual ambiance of the event.

Teachings and Wisdom

Daily sermons by Acharya Rishabh Jain Shastri emphasized virtues such as humility, honesty, and renunciation, drawing from scriptures like the Tattvartha Sutra. He highlighted how compassion and restraint are key to self-realization.

Adding depth, Kshullakratna Shri 105 Samarpan Sagar Ji Maharaj stressed the

significance of charity and disciplined living, inspiring attendees to incorporate Jain principles into their lives.

Cherished Moments and Legacy

The Dashlakshan Mahotsav witnessed enthusiastic participation from TMU's students, faculty, and the community. Honors were bestowed upon participants and organizers for their dedication. A poignant moment was Smt. Veena Jain's establishment of the Main Kalash on Uttam Tyag Dharma Day, a gesture symbolizing devotion and faith.

The festival concluded with certificates of appreciation being distributed to participants, marking the successful culmination of a spiritually enriching week. Emotional farewells resonated with gratitude and inspiration, urging all attendees to adopt the virtues celebrated during the Mahotsav.

By hosting the Dashlakshan Mahotsav, TMU reaffirmed its commitment to promoting Jain heritage, fostering spiritual growth, and creating a harmonious blend of education and cultural enlightenment. The event stands as a testament to TMU's vision of nurturing holistic development through the principles of Jain Dharma.

Gurudev Sri Sri Ravi Shankar Ji honored the Special Convocation with his presence, inspiring all with his profound wisdom

September 16, 2024

Gurudev Sri Sri Ravi Shankar Ji, spiritual guru and founder of the Art of Living, highlighted the proverb "Jaisa Ann, Waisa Mann" in his motivational speech, highlighting the close relationship between a healthy diet and a sound mind. He praised TMU for helping its students grow holistically and emphasized the importance of conserving water, warning that future conflicts could arise due to a lack of it. He commended TMU's remarkable water-saving efforts and urged the university to spearhead a national water conservation project. His message, which called for group action to protect natural resources and advance a sustainable, balanced future for future generations, struck a profound chord.

In his inspirational speech, Gurudev Sri Sri Ravi Shankar Ji emphasized that colleges should become more than just places to acquire knowledge and degrees; they should become places to develop lovely personalities. He said, somewhat humorously, that TMU had turned him into an alumnus in a single day. He exhorted pupils to embrace joy and humor, making sure their activities make people happy without hurting them. In addition to praising TMU's impressive accomplishments such as its NIRF rankings, patents, NAAC Accreditation, and entrepreneurial support, he also praised the university's effort to provide up to ₹1 crore in startup funding, which promotes innovation and eco-systemic growth. Sri Sri Ravi Shankar Ji concluded his address with blessings for the university's continued success, chanting "Om Shanti" twice before stepping down.

Chancellor Suresh Jain led thousands of students in chanting "Jai Gurudev" and the rhythmic "So-Hum" from Sudarshan Kriya. Over 15,000 attendees enthusiastically welcomed Sri Sri Ravi Shankar with a standing ovation, as rose petals were showered upon them, creating a divine and celebratory atmosphere. Sri Sri Ravi Shankar, received an honorary Doctor of Literature (D.Litt) degree. Chancellor Sh.Suresh Jain conferred the honor, Group Vice Chairman Sh. Manish Jain presented a shawl, and Executive Director Sh. Akshat Jain offered a silver Shreephal in reverence, marking the occasion's divinity and grandeur. Executive Director Sh. Akshat Jain then delivered a heartfelt speech, expressing deep gratitude to his family, teachers, and Sri Sri for shaping his character and emphasizing the importance of Indian culture. He thanked Sri Sri for introducing the transformative Sudarshan Kriya, calling it the essence of true happiness. Emotionally reflecting on the honor of Sri Sri's presence on campus, he concluded his address by touching Sri Sri's feet with reverence, seeking his blessings before taking his seat.

The event showcased spiritual and musical performances by Art of Living musicians led by Saket Kakkar, along with yoga demonstrations by Mrs. Ritu Narang and devotional dances by volunteers. A short film on Sri Sri's life was presented.

Sri Sri Ravi Shankar received an oil painting from the College of Fine Arts. Distinguished guests, including MLCs Dr. Jaipal Singh Vyast and Dr. Hari Singh Dhillon, Mayor Mr.Vinod Agarwal, First Lady Mrs. Veena Jain, Mrs.Richa Jain, Hon'ble Vice-Chancellor Prof.V.K.Jain, Registrar Dr. Aditya Sharma Dean-Academic Dr. Manjula Jain and other officials of the University attended the event, which concluded with the national anthem.

Guest Lecture on "PET-CT Technology Enhances Knowledge in Nuclear Medicine"

September 23, 2024 The College of Paramedical Sciences hosted a guest lecture titled "Advancements in Nuclear Medicine," delivering valuable insights into cutting-edge cancer diagnostic technologies. The session was led by Shri Raghavendra Nath Anand, Radiation Safety Officer and Nuclear Medicine Specialist at Yashoda Hospital, Ghaziabad. Focused on the revolutionary role of PET-CT (Positron Emission Tomography-Computed Tomography) in oncology, the lecture educated students and faculty on its applications and benefits.

Shri Raghavendra highlighted PET-CT's precision in cancer detection, emphasizing its ability to pinpoint cancerous cells, facilitate full-body imaging, and enable early diagnosis for targeted treatment. He also underscored the importance of radiation safety, sharing protocols such as using lead aprons, TLD badges, and isolating patients post-scan to minimize exposure.

An interactive Q&A session allowed students to explore the practical and technical nuances of PET-CT imaging, enhancing their understanding of oncological diagnostics and patient management. The lecture began with a ceremonial lamp lighting by Shri Raghavendra, Principal Prof. Navneet Kumar, and HOD Shri Amit Bisht. Shri Raghavendra was honored with a plant and a certificate of appreciation for his insightful contributions.

The event, conducted by students Bharavi Joshi and Palak, was attended by final-year B.Sc. Radiology and MRIT students, along with faculty members.

Sixth Leadership Talk Series: Strategies for Thriving Under Pressure

September 23, 2024 Teerthanker Mahaveer University (TMU) hosted its 6th Leadership Talk Series, centered on "Thriving Under Pressure: Strategies for Success." The event featured Miss Mahati Chandrashekhar, a Senior Consultant Psychologist from Delhi, and Miss Swarnil Kaur, a celebrated TEDx and Josh Talk speaker.

Key insights included self-evaluation for understanding strengths, effective time management through prioritization, and setting SMART goals—Specific, Measurable, Achievable, Relevant, and Time-bound. Miss Mahati emphasized seeking support and avoiding self-guilt, while Miss Swarnil inspired students to visualize their dreams, highlighting the importance of emotional intelligence and communication skills.

Dean of Academics, Prof. Manjula Jain, emphasized holistic development and maintaining a positive mindset. Students from various colleges engaged actively, enriching discussions with thoughtful questions. The program concluded with certificates and souvenirs distributed by faculty members.

The series continues to inspire TMU students by fostering self-awareness and encouraging personal and professional growth.

TMU Alumni Shine Globally, Making India Proud

September 27, 2024 Teerthanker Mahaveer University (TMU), Moradabad, continues to make a mark globally, with its alumni excelling in various fields across top international destinations like the USA, UK, Australia, and Canada. TMU graduates in medicine, engineering, computer science, and nursing are thriving in their careers, proudly representing India and the university's legacy of excellence. Among them, Dr. Shivangi Nigam serves as an educational consultant in the Netherlands, following a successful stint in Poland. Dr. Radhika Mathur, a 2012 MBBS graduate, is an Internal Medicine Resident in Florida, USA, attributing her success to TMU's robust academic foundation. Kavya Joshi, a 2014 Computer Science alumna, works as a Data Scientist at Deloitte in London, while Mahima Masih, a 2018 Nursing graduate, is a registered nurse in London. Both praise TMU's faculty and practical training for shaping their careers. Anchal Jain, a 2016 graduate, works as an accounts executive in Dubai, while Hina Qamar, a radiology graduate, pursues her dreams in Sydney. Alumni like therapist Hira Shams in the UK and Principal Scientist Sana Sayyedah in Canada further highlight TMU's global impact.

Chancellor Shri Suresh Jain calls these alumni "global brand ambassadors," showcasing TMU's commitment to empowering students to achieve excellence and contribute meaningfully worldwide.

TMU Researchers Earn Top Honors at International Dental Conference

September 24, 2024 Teerthanker Mahaveer University's Dental College and Research Center celebrated a remarkable achievement as Prof. (Dr.) Pradeep Tangde and Dr. Ankita Jain secured first prizes at the First International Conference on National to Global Oral Health, hosted by Thammasat University, Thailand. This prestigious event drew over 350 global dental professionals.

Prof. Tangde's study on the efficacy of Triphala Extract, Mamuka Honey, and Chlorhexidine mouthwash revealed Mamuka Honey's superior ability to reduce plaque and gingival inflammation. Dr. Jain's research focused on Calcium Phosphate Desensitizing Agents, demonstrating their long-term effectiveness in treating dental hypersensitivity over a 24-week evaluation.

Both scholars also chaired sessions during the four-day conference, which featured Dr. Dibyendu Majumdar, President of the Dental Council of India, as the chief guest. Prof. Tangde, an acclaimed researcher with over 1,255 citations, 40 international publications, and 148 national publications, has authored 15 books and holds a patent. Dr. Jain, an Executive Member of the IAPHD, boasts 1,215 citations, 66 international publications, 128 national publications, three patents, and three books.

TMU Chancellor Mr. Suresh Jain commended their achievements, emphasizing the university's dedication to advancing research. Their success not only elevates TMU's global reputation but also inspires students and faculty to pursue excellence.

TMU NSS Unit: A Beacon of Community Service and Social Impact

September 25, 2024 Teerthanker Mahaveer University's (TMU) NSS Unit, comprising approximately 500 members, proudly stands as one of the largest in the country. On NSS Day, TMU celebrated its impactful contributions to social welfare under the leadership of Vice Chancellor Prof. VK Jain, who highlighted the unit's exceptional scale and dedication to societal betterment. He emphasized the importance of selflessness and community service, exemplified by the NSS unit's diverse initiatives.

TMU's NSS Unit actively engages in programs such as environmental conservation, health awareness, tree planting, and the Live India Campaign. Students from various TMU colleges have addressed critical social issues like road safety, anti-drug awareness, and acid attack prevention through creative cultural performances. Coordinators were honored for their outstanding contributions, reinforcing the university's commitment to fostering a spirit of service.

Since January 2022, TMU's NSS Unit has adopted eight villages in Moradabad district, organizing 63 activities (Session 2023-24) focused on health, education, rural development, and environmental protection. These efforts involve 480 registered students, showcasing widespread participation and dedication.

The event, inaugurated by Vice-Chancellor Prof. V.K. Jain, DSW, Prof. MP Singh, Dean, Nursing College Prof.S.P. Subashini, NSS Coordinator Dr. Ratnesh Jain and other dignitaries, concluded with expressions of gratitude and underscored TMU's dedication to national development and social welfare through its dynamic NSS Unit.

Talent Shines at TMU Inter School Badminton Championship-2024

September 26, 2024 The TMU Inter School Badminton Championship-2024 commenced at Teerthanker Mahaveer University, Moradabad, showcasing vibrant sportsmanship. Organized by the College of Physical Education under the Grassroot Nurturing Program, the event features 32 teams competing in Boys' Singles, Girls' Singles, Boys' Doubles, and Girls' Doubles categories.

Prof. M.P. Singh, Dean of Student Welfare, inaugurated the championship, motivating participants to embrace hard work, energy, and perseverance as keys to success. Acknowledging the dedication of team managers and coaches, he honored them with shawls during the ceremony.

The opening round witnessed spirited pre-quarter matches among schools like PMS Moradabad and SS Children Academy. Faculty members, including Prof. Manu Mishra and students from the physical education department, added to the event's enthusiasm.

The championship, set to conclude on September 28, promises fierce competition as teams vie for top honors across categories.

Sports Foster Leadership and Personality Development: Hon'ble Vice Chancellor

September 28, 2024

Teerthanker Mahaveer University (TMU), Moradabad, recently hosted its Inter School Badminton Championship-2024, highlighting the transformative role of sports in leadership and personality development. At the closing ceremony held in the Indoor Sports Stadium, Hon'ble Vice Chancellor Prof. V.K. Jain emphasized how sports cultivate essential qualities such as teamwork, resilience, and perseverance. He urged students to embrace sportsmanship, learning valuable lessons from both victories and defeats.

Drawing from his personal journey in sports, Prof. Jain inspired attendees with stories of determination and hard work. He awarded medals to the top performers, with gold for first place, silver for second, and bronze for third.

The tournament featured thrilling matches across categories. In Boys' Singles, Tashu from Springfield College clinched the title, with Anant from Golden Gate Global Public School and Lakshya from Gandhi Nagar Public School securing second and third places, respectively. In Girls' Singles, Avni Singh from SS Children Academy triumphed, followed by Akshita Gupta of PMS School and Nimrit Gupta from Golden Gate Global Public School.

In doubles, Navya Yadav and Anaya Gupta from Golden Gate Global Public School won the Girls' Doubles, while Nirvan and Anant from the same school claimed the Boys' Doubles title.

The championship, part of TMU's Grassroot Nurturing Program organized by the College of Physical Education, concluded with Prof. Jain's inspiring message, reinforcing the vital role of sports in shaping confident and well-rounded individuals.

50 Students from TMU's CCSIT Secure Jobs with Leading Companies

September 29, 202 Teerthanker Mahaveer University's College of Computing Sciences and Information Technology (CCSIT) proudly celebrates the achievement of 50 final-year students who have secured positions at prestigious companies such as Upasparg, Dreamtech, iEnergizer, 4Achiever, and Global Kia. These students have been offered impressive annual salary packages ranging from ₹6 to ₹9 lakhs, marking a significant milestone in their academic and professional journeys.

HR managers from these companies lauded the students' exceptional talent and potential, recognizing their readiness to excel in the competitive tech industry. This achievement reflects TMU's dedication to fostering industry-ready graduates through comprehensive training in technical skills, soft skills, personality development, and leadership.

CCSIT Principal Prof. R.K. Dwivedi expressed immense pride, emphasizing CCSIT's status as a premier institution in North India. Among the selected students, 24 are from BCA, six each from BTech (Computer Science) and BTech (AIML), five from BCA (Mobile Application and Web Technology), and others from programs like MCA, BTech (IT, EC, EE), and Diploma (ME).

Notable achievers include Aman Gul, Rishabh Kumar, Udit Malik, Abhinav Jain, and Vishakha Rani. The selection process involved rigorous written exams and technical interviews, preparing these students for successful careers in leading organizations.

The role of Pharmacist in Global Health Related needs

September 30, 2024 Prof. V.K. Jain, Vice Chancellor of Teerthanker Mahaveer University, emphasized the importance of effective management, self-analysis, and skill development as pillars of success. Addressing a program organized by the Pharmacy College, he stressed the value of maintaining a positive attitude, continuous learning, and making informed life decisions. He reminded students that individual efforts ultimately determine success.

The event, centered on "The Role of Pharmacists in Global Health-Related Needs," also featured insights from Prof. Preethpal Singh Matreja, Vice Principal of the Medical College, and Dr. Anurag Verma, Principal of the Pharmacy College. Dr. Verma administered the Pharmacist Oath, while Prof. Matreja highlighted the role of patient counseling in combating drug resistance.

Student's hosted creative stalls, including "Food and Fun," showcasing medicinal foods, and a "Drug Booth" exploring medication effects. Over 300 students and 35 faculty members actively participated, showcasing the vital role of pharmacists in healthcare.

Unlocking the Power of Manupatra: Legal Research Training for TMU Law Students

September 30, 2024 The Knowledge Resource Center and National Digital Library at Teerthanker Mahaveer University organized a training program titled "Unlocking the Power of Manupatra" to enhance legal research skills among law students. Mr. Kumar Kislay Pankaj, Northern Region in-charge of Manupatra, served as the keynote speaker, providing insights into the database's extensive resources and advanced tools like machine learning (ML), artificial intelligence (AI), and natural language processing (NLP).

Manupatra, the first database offering electronic access to Indian and international legislative and procedural materials, supports comprehensive legal research with analytics and enterprise search tools. It provides detailed High Court case studies, orders, e-books, and e-journals.

The program, inaugurated with a traditional lamp-lighting ceremony, saw active participation from legal faculty, librarians, and over 100 students. Dean Prof. Harbansh Dixit encouraged students to leverage Manupatra for innovative research, while Chief Librarian Dr. Vinita Jain praised the database as an invaluable resource. A lively Q&A session concluded the event, addressing students' queries and enhancing their understanding of effective legal research methodologies.
