Promoting Heart Health: Awareness Program on World Heart Day

October 01, 2024 On "World Heart Day", Parshvanath College of Nursing, Amroha, organized an awareness program at JS Hindu Degree College, Amroha, under the theme "Use Heart for Action." B.Sc. Nursing students examined 157 participants, including students, teachers and staff, assessing key health indicators like blood pressure, heart rate and oxygen saturation to promote heart health awareness.

Principal Prof. Sheuli Sen highlighted the university's dedication to community health, emphasizing regular outreach initiatives in villages, schools, and health centers. Program Coordinator Mr. Mukul Kumar underscored the role of modern lifestyles in heart disease prevalence and stressed the importance of awareness and preventive measures. He elaborated on the causes and prevention of heart diseases in a detailed health education session.

Nursing students emphasized the benefits of a balanced diet, regular exercise and stress management in reducing heart disease risks. UG Tutor Mr. Prashant Singh and students actively supported the initiative.

Law and Ethics Were Inseparable for Gandhi: Prof. Harbansh

October 01, 2024 On the eve of Gandhi Jayanti, the Faculty of Law and Legal Studies at Teerthanker Mahaveer University, Moradabad, organized a workshop on Mahatma Gandhi's legal philosophy. The event highlighted Gandhi's principles of truth, non-violence, and justice which are foundational to India's Constitution and legal system.

Dean of the Faculty, Prof. Harbansh Dixit, emphasized Gandhi's unique approach to law, describing him as a lawyer who saw legal practice as a means of social service. Gandhi utilized his legal expertise to advocate non-violence, truth, and justice during India's independence struggle. Prof. Dixit noted Gandhi's pivotal role in organizing peaceful protests like the Salt March, using law as a tool to challenge unjust British policies and bring about significant legal and political reforms.

For Gandhi, law and ethics were inseparable. He refused unethical cases, viewing advocacy as a path to truth and morality. His belief that law should establish justice rather than resolve mere technicalities shaped his legal philosophy.

The workshop featured panel discussions and interactive sessions exploring Gandhi's concepts of Satyagraha, civil disobedience, and self-rule. Faculty members, including Prof. Manish Yadav and Dr. Namrata Jain, participated actively, along with students. The event concluded with reflections on Gandhi's enduring influence on legal thought and ethical practice.

Natural Lifestyle Essential for Healthy Living: Prof. Ramgopal

October 03, 2024 Teerthanker Mahaveer University hosted a two-day program titled "Natural Lifestyle for Holistic Personality Development and Student Development Program", featuring Prof. (Dr.) Ramgopal, former Director, DRDO, Jodhpur, as the keynote speaker.

Prof. Ramgopal emphasized maintaining balance among the five elements—water, air, fire, earth, and space—for a healthy lifestyle. He stressed detoxifying the body, reducing stress, and balancing energy through natural practices. Advocating early rising for oxygen intake, he highlighted yoga and meditation as key to inner peace. He cited research from the US Center for Disease Control, noting that lifestyle accounts for 53% of health outcomes, far outweighing medicine, genetics or environment.

In his address during the university's Leadership Talk Series, Prof. Ramgopal elaborated on the four dimensions of healthy living—body, mind, intellect, and soul—and the principles of Ashtanga Yoga. He explained how a healthy lifestyle boosts natural immunity and detailed the twelve chants of Surya Namaskar during a yoga session. Emphasizing Vipassana Yoga, he clarified that 'Om' represents a cosmic sound, not religion.

The program concluded with Prof. Ramgopal being honored with a shawl and memento. Attended by nearly 300 students and faculty, the event highlighted practical approaches to holistic health and personality development.

Faculty of Engineering: Alumni Talk Series Shares Valuable Experiences

October 04, 2024 Department of Electronics and Communication Engineering hosted an online Alumni Talk Series, where accomplished alumni shared insights and career guidance.

Ms. Aashi Rastogi, Managing Director of Kling Multi Solution Pvt. Ltd. (2009-2013 batch), encouraged students to excel as electronics engineers and develop essential skills. Mr. Shivam Pratap Singh, Senior Network Administrator at Microland Pvt. Ltd. (2016-2020 batch), inspired self-belief and introduced concepts like networking and Kubernetes.

The series began with Prof. Rakesh Kumar Dwivedi, Principal of FOE, narrated a Mahabharata story to emphasize patience. Mr. Chinmay Jain, Senior Engineer at Ericsson (2016-2020 batch), highlighted programming skills and networking on LinkedIn, while Mr. Prasan Jain from GeeksforGeeks (2018-2022 batch) underscored discipline and professional connections. Dr. Alka Verma, HOD, commended alumni contributions and department achievements. Coordinators and students actively participated, with Khushboo Khanna, a BTech-EC student, expertly hosting the event.

Nursing Students Raise Awareness about Heart Diseases through Play

October 05, 2024

Teerthanker Mahaveer University's College of Nursing organized an awareness campaign in Guretha village to educate the community about heart disease prevention. Through role play, nursing students highlighted the dangers of smoking, alcohol and junk food, emphasizing the importance of a healthy lifestyle for heart health.

Under the theme "Use Heart for Action," the students creatively used slogans like "Take care of your heart for a happy life" and visuals such as charts and flex cards to explain symptoms of heart disease, including chest pain, irregular heartbeats and shortness of breath. They also advocated for non-pharmacological measures like regular physical activity, stress management, balanced diets and avoiding smoking and tobacco.

Led by program coordinator Mr. Nafees Ahmad and co-Coordinator Ms. Aarti Chaudhary, the event involved 50 nursing students and began with a welcome ceremony for village head, Mr. Rinku Singh.

Body Donation, Organ Donation and Eye Donation: A Noble Virtue, Says Anjaney Kumar Singh

October 05, 2024 At a body donation awareness conference organized by the Rampur Nagarik Samaj (RANAS), Commissioner Moradabad Division Mr. Anjaney Kumar Singh emphasized the profound virtue of body, organ, and eye donation. Speaking as the Chief Guest, he called body donation the "greatest donation," highlighting its impact on both life and the afterlife. He urged the youth to adopt a culture of giving and dispel fears and misconceptions surrounding this noble cause.

Special Guest and TMU Chancellor, Shri Suresh Jain, noted the essential role of body donations in medical education, explaining that TMU's Medical College needs at least a dozen bodies annually for anatomy studies. He appealed to the community to support this cause. The event also honored families of donors with shawls and shields, while dignitaries, including Shri Pramod Agarwal of Delhi's Dadhichi Body Donation Committee, participated.

The conference, held at Ashirwad Mandap in Rampur, brought together donation committees from multiple regions. Founder of RANAS, Shri Satish Bhatia, highlighted Rampur's contributions, including five body donations to TMU. His decades of community service, such as establishing public water points and Swargdham Ashram, were celebrated. Shri Bhatia's 2013 pledge to donate his body stands as an inspiring example of selflessness.

India: The Land of Knowledge, Civilization and Culture

October 05, 2024 At a body donation awareness conference organized by Rampur Nagarik Samaj (RANAS), Commissioner Moradabad Division Mr. Anjaney Kumar Singh emphasized the profound virtue of body, organ and eye donation. Speaking as the Chief Guest, he called body donation the "greatest donation," highlighting its impact on both life and the afterlife. He urged the youth to adopt a culture of giving and dispel fears and misconceptions surrounding this noble cause.

His decades of community service, such as establishing public water points and Swargdham Ashram, were celebrated. Shri Bhatia's 2013 pledge to donate his body stands as an inspiring example of selflessness.

Prof. Rajul Rastogi Highlights Elastography's Role in Liver Cancer at DopplerCon-2024

October 04, 2024 DopplerCon-2024, an international conference organized by Medific, brought together eminent radiologists to discuss advancements and challenges in Doppler ultrasound imaging. Hosted online from Teerthanker Mahaveer Hospital & Research Center, the event featured Prof. Rajul Rastogi, Senior Radiologist from the Department of Radiodiagnosis, who delivered a lecture on elastography and fat quantification in hepatic imaging.

Prof. Rastogi emphasized the critical role of ultrasound elastography in the early diagnosis and management of liver cancer and other hepatic disorders. He highlighted a novel technique, ultrasound-driven fat fraction, which aids in detecting and treating fatty liver and non-alcoholic fatty liver disease at an early stage.

The conference welcomed radiologists from cities like Mumbai, Delhi and Chennai, as well as international participants from the USA and Bangladesh. Discussions covered diverse topics, including liver Doppler in chronic liver disease and penile Doppler in erectile dysfunction, providing practical insights to improve Doppler imaging practices globally.

TMU Leads the Way in Environmental Awareness with Tree Plantation Drive

October 08, 2024 Teerthanker Mahaveer University's Parshwanath College of Nursing organized a rally in Chak Chhavi village to promote environmental safety. Addressing issues like waste disposal, cleanliness and pollution, the initiative highlighted the link between a healthy environment and disease prevention.

As part of the event, nursing students planted 10 saplings, including Ashoka, Mango, Jamun, Guava and Arjun, at the Panchayat Bhawan. Principal Prof. Shyoli Sen emphasized the necessity of a clean environment for better health.

Gram Pradhan Mrs. Manu, Tutors Shri Dhar and Shruti Saxena and 40 ANM students participated, reaffirming the university's commitment to a greener future.

Inter-School Boys Volleyball Championship 2024 Kicks Off with Victories across Moradabad, Kashipur, Jaspur, and Chandpur

October 08, 2024 College of Physical Education inaugurated the 3-day TMU Inter-School Boys Volleyball Championship 2024, part of its Grassroots Nurturing Program, at the Indoor Sports Stadium. With 47 schools participating from Moradabad Mandal and Uttarakhand, the tournament promises an intense showcase of young athletic talent.

Day one witnessed thrilling victories. SS Children Academy, Moradabad, defeated Shri Guru Nanakdev Singh Public School, Tanda, 2-0. Pioneer Academy, Kashipur, edged past St. Mary's Convent School, Gajraula, 2-1. Bright Star International Academy, Jaspur, triumphed over St. Mary's Convent School, Gandhupal, Amroha, 2-1. Fathersan Senior Secondary Public School, Chandpur, also emerged victorious.

The opening ceremony honored coaches and managers with shawls, presented by distinguished guests, including Prof. Harbansh Dikshit (Dean, College of Law and Legal Studies), Prof. MP Singh (Dean, Student Welfare), and Prof. Manu Mishra (Principal, College of Physical Education).

Prof. Dikshit encouraged players, saying, "Sports is a culture and philosophy. Compete with sportsmanship to reach new heights." Prof. Singh added, "Winning or losing isn't as important as control, confidence, and participation."

The championship continues, fostering sportsmanship and providing a platform for budding athletes to excel.

Optometry Students Secure Jobs with Lenskart

October 10, 2024 The 24 final-year Optometry students from College of Paramedical Sciences placed at the prestigious company Lenskart. These students will serve as Optometrists at various Lenskart centers in cities across Delhi, Gujarat, Uttar Pradesh, Karnataka, Madhya Pradesh, Rajasthan, Haryana, Himachal Pradesh, Punjab, and Gurugram.

The placement process comprised a written test assessing academic, technical, and general knowledge, followed by a group discussion to evaluate communication, leadership, and teamwork skills. A final personal interview led to the selection of the students. The recruitment drive was conducted by Lenskart's expert team, led by Mr. Kuldeep Negi.

Selected students include Mahak Kansal, Farmaan Hussain, Dev Rajput, Nitin Pal, Surendra Kumar, Anshika Rajput, Aryan Dayal, Shaili Sisodia, Zareen Khan, Shahbaz Khan, Priyanshi, Ayushi Chaudhary, and others.

Prof. Navneet Kumar, Principal of the College of Paramedical Sciences, congratulated the students and wished them a successful career. Mr. Kuldeep Negi also delivered a pre-placement talk, highlighting career opportunities in Optometry, advancements in myopia, tele-optometry, AI diagnostics, and the global prospects Lenskart offers through training and leadership programs.

The event was attended by Mr. Rakesh Kumar Yadav, Head of Optometry, faculty members, and students.

Nursing Students Promote Hand Hygiene at Global Handwashing Day Event

October 15, 2024 Teerthanker Parshvnath College of Nursing, Amroha, celebrated Global Handwashing Day by organizing an awareness program at Shri Ram Public Inter College, Amroha. The event focused on educating students from classes 1 to 5 about the health benefits of proper hand hygiene.

Third-semester B.Sc. Nursing students actively participated, presenting a role play to demonstrate how clean hands can prevent diseases. They taught proper handwashing techniques and encouraged children to adopt it as a lifelong habit.

Principal Prof. Sheuli Sen emphasized the importance of hand hygiene in preventing cross-infections, stating, "Clean hands safeguard health."

The program was graced by Shri Vansh Gupta, Principal of Shri Ram Public Inter College, along with PG Tutors Miss Arushi Saxena and Miss Ankita Chauhan. Nursing students, including Gunjan, Garima, Aman, and others, actively contributed to this meaningful initiative.

Team 'Three Musketeers' Wins Brain Manthan 4.0

October 10, 2024 In the thrilling finale of Brain Manthan 4.0, organized by the Centre for Teaching, Learning, and Development (CTLD) at Teerthanker Mahaveer University (TMU), Moradabad, the team "Three Musketeers" clinched the championship. The winning team comprised Vaibhav Saxena, Khushi Chaudhary, and Vaibhav Jain. Team "Aspire," including Mo. Salik, Rajesh Nath Tyagi, and Divyansh Tyagi, secured second place, while "Param," represented by Paras Jain, Ayushi Jain, and Manjari Jain, came in third.

The finale, held at the TMU auditorium, tested participants' logical reasoning, critical thinking, and analytical skills through six challenging rounds. The winners received trophies and certificates for their exceptional performance.

The event began with an inaugural ceremony led by Dean Academics Prof. Manjula Jain, Director of CCSIT Prof. RK Dwivedi, and Director of CTLD Dr. Pankaj Kumar Singh, who lit the ceremonial lamp before Goddess Saraswati.

A remarkable 755 teams, comprising 2,265 students, competed in the event. The first round involved a written test, narrowing the competition to 35 teams. These teams faced off in a second round, and the top six advanced to the finale.

Prof. Manjula Jain praised the winners and highlighted the importance of soft skills development. Prof. RK Dwivedi emphasized dedication to learning, while Dr. Pankaj Kumar Singh encouraged students to enhance their reasoning skills through such events.

The event was managed by Quiz Master Ankit Sharma, Deputy Director Dr. Dilip Varshney, and other CTLD faculty members. Deepak Katiyar served as the event's

Prof. Nitin K Saxena Delivered a Guest Lecture at Xi'an University of Technology, China

October 15, 2024 Prof. (Dr.) Nitin Kumar Saxena, OSD to TMU Chancellor Shri Suresh Jain, will deliver a guest lecture at Xi'an University of Technology, China, on October 18. The lecture, titled Reactive Power Contracts as an Auxiliary Service to Enhance Power System Performance, will focus on improving electrical grid efficiency and stability.

With over 22 years of academic expertise, including teaching at the University of Denver, USA, and Wolaita Sodo University, Ethiopia, Prof. Saxena is a seasoned scholar. He holds two patents, has authored 50 international research papers, and published two books.

Departing Delhi on October 16, Prof. Saxena will discuss innovative tools like capacitor banks, synchronous condensers, and FACTS to balance electricity demand, integrate renewable energy, and reduce transmission losses. His contributions continue to impact global energy solutions.

Engineering Students Explore Advanced Technologies at ESTC, Ramnagar

October 16, 2024 The Faculty of Engineering, organized an industrial visit to the Electronics Service and Training Center (ESTC) in Ramnagar, Uttarakhand, for Diploma and B.Tech Electronics and Communication Engineering students. This visit aimed to provide practical exposure to cutting-edge technologies, including IoT, solar power systems, drones, robotics, PCB designing and advanced software systems.

Students gained hands-on experience with technologies such as CNC, solar cells, robotics and PCB designing. ESTC experts, including Shri Dinesh Chandra, Shri Nayanjyoti Talukdar, and Shri Birendra Kumar Yadav, delivered detailed explanations of laboratory processes and operational projects, enhancing the students' understanding of these advanced systems.

Accompanied by faculty members Shri Rahul Vishnoi and Ms. Avantika, the visit included 28 students from various academic levels: first, second, third and fourth-year B.Tech students and third-year Diploma students specializing in Electronics and Communication Engineering.

This insightful industrial visit bridged the gap between theoretical knowledge and practical applications, fostering technical skill development and a deeper understanding of advanced technologies. TMU's commitment to experiential learning continues to empower students with the skills needed to excel in the ever-evolving engineering field.

Nursing Students Spread Awareness on Suicide Prevention in Guretha Village

October 16, 2024 Teerthanker Parshvnath College of Nursing, Amroha, organized an impactful awareness program on suicide prevention in Guretha village under the NSS unit's mental health department. The initiative aimed to educate the community on recognizing and addressing mental health challenges.

Nursing students delivered a powerful message through role plays, slogans, and banners to promote hope and resilience. Slogans such as "Don't let your problems take you to the grave," "Never give up, life is worth living," and "Every problem has a solution" inspired villagers and schoolchildren to seek help during difficult times.

The event witnessed active participation from over 100 villagers and school students, as well as key figures including NSS coordinator Shri Gaurav Kumar and village head Shri Mahipal Singh. The interactive sessions highlighted the importance of emotional well-being, encouraging open dialogue about mental health and breaking the stigma surrounding it.

The nursing students also educated the audience on identifying warning signs of mental distress and available support systems, emphasizing that seeking help is a sign of strength, not weakness.

This initiative reflects the college's commitment to community health and its ongoing efforts to address critical issues, ensuring that no one faces their struggles alone.

Dental Students Provide Free Dental Checkup in Hakimpur

October 16, 2024 Dental College and Research Center, through its Department of Public Health Dentistry, organized a free dental camp at Hakimpur as part of their NSS outreach program. A total of 69 villagers, including 26 women and 43 men, benefited from comprehensive dental checkups.

Dental students demonstrated proper brushing techniques and raised awareness about the risks of poor oral hygiene, such as gum bleeding, tooth decay, and bad breath. The camp aimed to educate the community about maintaining good oral health. Prof. (Dr.)

Pradeep Tangde and Dr. Ankita Jain supervised the event.

Dental Student Receives Second Award for Research Paper Presentation

October 16, 2024 Dr. Shubham Mishra, Senior Postgraduate Student of Oral and Maxillofacial Surgery at Teerthanker Mahaveer University (TMU) Dental College and Research Center, was honored with the Second Award for his research paper presentation at the 5th Annual State Conference of the Association of Oral and Maxillofacial Surgeons of India (AOMSI), held at Ashoka Resort, Dehradun. Dr. Mishra presented a paper on "Mandibular Posterior Swellings - A Diagnostic Dilemma," addressing the challenges in diagnosing swellings in the posterior mandible.

The conference, focusing on Implantology and Beyond, was inaugurated by Uttarakhand Governor Lieutenant General (Retd.) Gurmit Singh. Dr. Mishra received a certificate from Prof. (Dr.) Bhagwandas Rai, President of AOMSI. The event attracted over 150 dental surgeons from various states, including Uttar Pradesh, Himachal Pradesh, and Uttarakhand.

Dr. Pradeep Tangde, Principal of TMU's Dental College, Dr. Ankita Jain, Vice Principal, and Dr. Nandakishore D., HOD, expressed their pride in Dr. Mishra's achievement. His research highlighted the importance of thorough examinations when diagnosing facial swellings, as they may indicate serious conditions like cancer.

In addition to his recognition, Dr. Mishra authored the e-book "Artificial Intelligence in Oral and Maxillofacial Surgery" and has participated in several conferences. Dr. Sachin Dev, Senior Maxillofacial Surgeon, also delivered a lecture on serum nutrition deficiencies in patients with temporomandibular joint issues.

Environmental Crisis in the Blind Rush of Development: Padma Shri Dr. Joshi

October 23, 2024 In his keynote speech at Teerthanker Mahaveer University's "Ecology and Economy in One Footstep" Leadership Talk Series, renowned environmentalist Padma Shri and Padma Bhushan Dr. Anil Prakash Joshi expressed concerns about the environmental degradation caused by unchecked industrialization. He criticized the blind rush for development, particularly the influence of Western cultures, urging people to embrace Indian traditions, including millet-based foods, while learning English without fully adopting Western culture.

Known as the "Mountain Man of India" and founder of HESCO, Dr. Joshi highlighted the critical challenges of water, forests, and land conservation. He stressed the urgency of afforestation campaigns to tackle the depletion of groundwater and the loss of greenery due to urbanization.

Dr. Joshi also praised TMU's initiatives in water conservation, including its rainwater harvesting system and sewage treatment plant and commended the university's 130-acre campus for its greenery.

During a Q&A session, Dr. Joshi encouraged agriculture students to adopt organic farming and plant trees to mitigate environmental issues. He warned of the dire consequences of environmental neglect, citing pandemics, floods, and cyclones as alarming signs. Dr. Joshi concluded by advocating for Ayurvedic treatments and emphasized that everyone must contribute to protecting the Earth's health for a sustainable future.

Corporate Resource Centre (CRC) at Teerthanker Mahaveer University

Corporate Resource Centre (CRC) at Teerthanker Mahaveer University (TMU) plays a pivotal role in shaping the careers of students, ensuring that they are well-prepared for the challenges of the professional world. The department works diligently to bridge the gap between academia and industry, providing students with the necessary support and resources to secure desirable placements.

During the current session, more than 100 renowned companies have shared their recruitment requirements with the university for the latest job openings, providing a robust network for career growth. Some of these companies have conducted their placement sessions at the university, offering a wide array of opportunities to students.

In the recent placement season, a total of 316 students were successfully placed in reputable organizations, with many others lined up for placement in the coming months. This highlights the university's strong industry connections and the quality of education imparted to students, significantly enhancing their employability prospects.

Some of the prestigious companies that have hired TMU graduates include Accenture, Tech Mahindra, Datopic Technologies, Cloud Analogy CRM Specialist Ltd, Acro Technologies (India) Pvt. Ltd , TO THE NEW , SBI General Insurance Company Limited, HDFC Asset Management Company Limited , India Mart and many others.

CRC at TMU continues to enhance its partnerships with leading companies, providing

students with a wealth of career opportunities and ensuring that they are well-equipped for a successful future.

Nurses A Beacon of Light in Life: Dr. Khakha

October 24, 2024 The 16th Lamp Lighting and Oath Ceremony for 280 first-year students of B.Sc. Nursing, GNM, and ANM held at College of Nursing. The ceremony was graced by Dr. Deepika Cecil Khakha, Nursing Advisor at the Directorate General of Health Services, as the chief guest. Dr. Khakha highlighted the crucial role nurses play as teachers, counselors, coordinators, and advocates, urging students to commit to their learning with sincerity, as this time of education will not return.

The ceremony began with a tribute to Florence Nightingale, followed by lamp lighting by Dr. Khakha, Prof. S.P. Subhashini, Acting Principal Dr. Jasleen M., and other dignitaries. Prof. Subhashini administered the Nightingale Pledge, emphasizing dedication to the nursing profession. Prominent guests included Dr. Yogesh Sharma, Dr. Sapna Singh, Dr. Ramkumar Garg, and other esteemed faculty members.

Additionally, a national seminar on "The Future of Nursing" was held, where Prof. H.C.L. Rawat

discussed career opportunities in nursing, emphasizing the global demand for skilled professionals. Abhilasha Donald, Program Advisor at JHPIEGO, described nursing as a calling, underscoring its noble role in healthcare. The event concluded with valuable insights from faculty members, highlighting the transformative impact of nursing on global healthcare.

Green Lifestyle is the Need of the Hour: Prof. VK Jain

October 27, 2024 Teerthanker Mahaveer University (TMU), Moradabad, hosted a seminar on the Generation Green Campaign, focusing on environmental protection and sustainable living. Vice-Chancellor Prof. V.K. Jain highlighted the significance of adopting green lifestyles, emphasizing the pressing issue of e-waste management in India. He called for effective strategies to tackle the problem and discussed the role of software applications in reducing e-waste.

The seminar was inaugurated by Prof. V.K. Jain, alongside prominent figures including Prof. Rakesh Kumar Dwivedi (Director, FOE & CCSIT), Dr. Amit Kansal (Associate Dean Academics), Prof. Ashendra Kumar Saxena (Vice Principal), Dr. Alok Gehlot (IQAC Coordinator), and Dr. Diwakar Pathak (Seminar Coordinator and SPOC for the Generation Green Campaign).

The event featured a Q&A session, where participants shared ideas and explored potential solutions to environmental challenges. Prof. Dwivedi emphasized Moradabad's role as one of India's largest e-waste processing hubs, urging sustainable practices for a cleaner future. Dr. Kansal suggested practical solutions, such as using refurbished mobile phones, to reduce electronic waste.

Sanyam Jain, an executive member of TMIEX, presented the objectives and goals of the Generation Green Campaign. The seminar concluded with participants taking a Green Pledge, committing to an eco-friendly lifestyle. The event was supported by AICTE and Oppo India, and hosted by students Ansh Sharma and Meenakshi.

Bareilly and Varanasi-A to Clash in Football Championship Final

October 25, 2024 Bareilly and Varanasi-A have secured their spots in the final of the UP Directorate Inter-Group Football Championship following dominant semi-final victories at Teerthanker Mahaveer University, Moradabad. Bareilly triumphed over Gorakhpur with a commanding 4-1 win, while Varanasi-A edged past Kanpur 1-0 in a closely contested match. The final is set for October 26, promising an intense showdown between two of the tournament's strongest teams.

Bareilly played five matches, winning three and drawing t w o, while Varanasi-A won four and drew one. Bareilly's goals were scored by Raunak (12th minute), Arnav (19th minute), Arpan (60th minute), and Ayaan Ali (62nd minute). Arpan Singh delivered a stellar defensive and attacking performance, supported by Priyanshu (captain) and goalkeeper Vivek Pathak. Gorakhpur's lone goal was scored by Anand Kumar (9th minute).

In the Varanasi-A vs. Kanpur match, Captain Neeraj Giri's first-half goal proved to be the match-winner, as Kanpur struggled to equalize.

The championship began on October 19, with 11 teams from Uttar Pradesh's NCC groups competing in a league-cum-knockout format under the supervision of Lieutenant Colonel Anand Sharma. With both teams in exceptional form, the final promises to be an exciting and fiercely contested encounter.

Nurses Are the Heart of Hospitals: Dr. Satyapal

October 28, 2024 Chief Medical Officer (CMO) of Amroha, Dr. Satyapal Singh, described nurses as the heart of hospitals, embodying service and compassion. Addressing the Lamp Lighting and Oath Ceremony for B.Sc. Nursing and ANM first-year students at Teerthanker Parshvnath College of Nursing, Amroha, he emphasized that dedication and empathy are vital for nurses to perform their roles effectively.

The ceremony began with the lighting of the lamp and tributes to Florence Nightingale, led by Dr. Satyapal Singh, Prof. S. Balamani Bose (Principal, Govt. College of Nursing, Meerut), Prof. V.K. Jain (Vice-Chancellor, TMU), Prof. S.P. Subhashini (Dean, Nursing), Prof. Sheuli Sen (Principal, Nursing College, Amroha), and Prof. Jasleen M. (Acting Principal, Nursing College, Moradabad).

Dean Prof. Subhashini administered the Nightingale Pledge to 160 students, underscoring loyalty and compassion. Awards were presented to top-performing students in B.Sc. Nursing and ANM programs, while guests were honored with mementos.

Prof. V.K. Jain stressed discipline, integrity, and the value of lifelong learning in nursing. Prof. S. Balamani Bose encouraged students to embrace qualities like patience and dedication, essential for superior patient care.

The event featured a welcome dance by students, a play by third-semester nursing students highlighting nurses' contributions, and concluded with a vote of thanks by Ms. Priyanka Masih. Guests included prominent faculty members, and the event was hosted by Prof. Siddheshwar Angadi.

SS Children Academy Crowned Basketball Champions

October 28, 2024 SS Children Academy, Moradabad, claimed the championship title in the TMU Interschool Basketball Championship, organized by the College of Physical Education at Teerthanker Mahaveer University, Moradabad.

In the thrilling final, SS Children Academy secured an impressive 89-74 victory over RSD Academy. Aditya from SS Children Academy was the standout performer, scoring a remarkable 29 baskets, driving his team to victory.

Prof. S.P. Subhashini, Dean of the Nursing College, presented the championship and runner-up trophies, along with medals for participants. She praised the players for their dedication and emphasized the importance of hard work and self-confidence in achieving success.

The championship featured 20 teams from across the division, showcasing outstanding talent, sportsmanship, and fierce competition. The event concluded with the presence of Prof. Manu Mishra (Principal, College of Physical Education) and faculty members Unmesh Uthaseni, Tauhid Akhtar, Mukesh Kumar, and Shailendra Chauhan.

Vibrant Colors of Indian Culture Unfold at College of Agriculture Science

October 30, 2024 The Students from the College of Agriculture Science, celebrated the rich cultural diversity of India through a vibrant cultural fest. The event showcased traditional performances representing various states, including Kerala, Andhra Pradesh, Telangana, Bihar, Assam, Arunachal Pradesh, Bengal, and Uttarakhand. The auditorium resonated with music, dance, and theatrical expressions, making it an unforgettable cultural experience.

The fest began with the ceremonial lighting of the lamp before Goddess Saraswati, with Vice-Chancellor Prof. V.K. Jain as the chief guest and Dean of Agriculture Prof. P.K. Jain in attendance. Students from Kerala initiated the event with the traditional Kaikottikali dance, while Telugu students N. Lakshmi and R. Vijay presented a South Indian dance performance. Other highlights included a soulful rendition of Muskuraane Ki Wajah Tum Ho by Ashwani Sharma, Nishant Shekhar, and Ayush Mishra.

Classical and folk dances further enriched the atmosphere, such as the graceful Mere Dolna and an energetic Garba performance. The Chhath Puja performance by Bihar students brought nostalgic memories, and a Kumaoni dance by students from Uttarakhand evoked a sense of tradition.

The fest, hosted by Utkarsh Raj, Kanak Kumari, Nandana T. Prasad, and Harsh Chaudhary, was a celebration of India's cultural unity and diversity.

Diwali Celebrations:

Shri Ram-Themed Rangoli Competition Shines

October 29, 2024 Teerthanker Mahaveer University, Moradabad, hosted its inaugural Rangoli competition, where vibrant designs centered around Lord Shri Ram secured the top three prizes. The competition saw participation from 13 colleges, including the Dental College and Research Centre, showcasing their artistic talent. The College of Fine Arts claimed first place, the College of Computing Sciences and IT (CCSIT) secured second, and the TMIMT College of Management took third. Other participating colleges were awarded consolation prizes.

The competition's themes focused on Indian culture, festivals, environmental conservation, women empowerment, cleanliness and National unity. Organized by the NSS unit of the university at the College of Computer Science, the event featured 89 teams with 267 students displaying their creativity.

Judged by Dr. Alka Agarwal, Dr. Vinita Jain, and Dr. Jasmine Stephen, the competition evaluated participants based on creativity, innovation, color combinations, theme relevance, and timely execution.

Colleges participating included Nursing, Law, Physical Education, Agriculture Science, Paramedical Science, Pharmacy, Fine Arts, Physiotherapy, Engineering, and Education.

Prof. M.P. Singh, Dean of Student Welfare, announced cash prizes for the top three winners: ₹5K for first place, ₹3K for second, and ₹2K for third, with certificates for all participants.

The event promoted creativity, cultural values, and social awareness while fostering teamwork and artistic expression.

Cricket Championship:

Shirdi Sai and Other Schools Shine

November 12, 2024 Teerthanker Mahaveer University (TMU), Moradabad, hosted the TMU Inter-School Boys Cricket Championship, organized by the College of Physical Education. Among the winners were Shirdi Sai Public School (Wing-2), Shri Sai Public School, Bonnie Anne Public School, CNS Academy (all from Moradabad), Universal Academy, Bijnor, and MS Public School, Dhanaura. The event, inaugurated by Prof. M.P. Singh, Dean of Students' Welfare, saw participation from 30 teams in a 12-over format.

Shirdi Sai (Wing-2) defeated Silver Stone Public School, Chandausi, by 45 runs, with Ayaan Hussain declared Man of the Match for his 56-run knock. Shri Sai Public School chased down 71 runs in 9 overs against White Hall Public School, Rampur, with Shoaib earning Man of the Match honors. Other standout performances included Shams from Bonnie Anne scoring 59 runs, and Mukul Kumar of Universal Academy excelling as an all-rounder. The tournament showcased exceptional talent and thrilling cricket.

FDP on Transformative Teaching and Outcome-Based Education

November 12, 2024 Teerthanker Mahaveer University (TMU), Moradabad, in collaboration with the National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh, hosted a five-day Faculty Development Program (FDP) titled "Transformative Teaching: Embracing Outcome-Based Education (OBE) for Academic Excellence." The FDP aimed to empower faculty with innovative strategies to implement OBE in alignment with the National Education Policy (NEP) 2020.

Hon'ble Vice Chancellor of TMU Prof. VK Jain highlighted the role of Bloom's Taxonomy in student assessment and emphasized OBE's importance in shaping students' academic and professional trajectories. Dr. Meenakshi Sood of NITTTR stressed the holistic development of students through the integration of cognitive, psychomotor, and affective domains into curricula.

Dr. S.K. Gupta underlined stakeholder involvement, including parents, teachers, and industry, in creating effective curricula. Prof. P.S. Grover emphasized the affective domain's role in overall development and advocated for course-aligned question papers to meet program objectives.

Engineer P.K. Singla discussed the Table of Specification's utility in equitable student evaluation, while Dr. Balwinder Singh explained mapping course outcomes to program attainment. Prof. Maitrayee Datta demonstrated IT tools like ChatGPT and Research Rabbit to enhance pedagogy and research.

The program concluded with a training assessment, certificates distribution by Prof. Jain, and participation of key faculty members.

Medical College: Workshop on Good Clinical Practices

November 19, 2024 Medical College organized a two-day workshop on "Good Clinical Practices (GCP) and Good Laboratory Practices (GLP)". The workshop aimed to equip MD/MS students with essential knowledge of national ethical guidelines, informed consent, serious adverse events, protocol violations, and other critical clinical and laboratory practices.

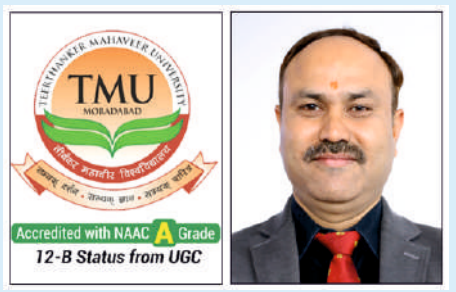

Aligned with National Medical Council (NMC) guidelines, the workshop featured prominent speakers, including Dr. Amol Patil and Dr. Ashish Kakkar from PGIMER, Chandigarh, along with TMU faculty members Prof. Preethpal Singh Matreja and Dr. Govinda Mishra. Topics included ethical responsibilities, adverse event reporting, and the role of ethics committees in research documentation.

Dr. Kakkar stressed the importance of safeguarding individuals' rights and adhering to scientific, ethical, and legal standards. Dr. Patil detailed the informed consent process, emphasizing the need to educate patients about risks, benefits, and alternatives to ensure autonomous decisions.

Prof. Matreja explained GLP principles for non-clinical health and safety studies, while Dr. Mishra highlighted GCP's role in ensuring ethical and scientific trial standards.

The workshop, attended by 337

CCSIT Earns Recognition in Amazon Web Services (AWS) Academy

November 20, 2024 The College of Computing Sciences and Information Technology (CCSIT) has achieved a significant milestone by being officially listed in the Amazon Web Services (AWS) Academy for the Asia-Pacific region, India. This accomplishment, a result of collaboration with the Dristi CPS Foundation, IIT Indore, follows the successful completion of TMU's first training batch on Cloud Infrastructure Usage. TMU joins 493 institutions in India offering AWS Academy and AWS Educate Cloud Computing courses.

Hon'ble Chancellor Mr. Suresh Jain, Hon'ble Group Vice Chairman Mr. Manish Jain, and Executive Director Mr. Akshat Jain lauded this global recognition as a testament to TMU's rising academic stature. Prof. RK Dwivedi, Dean of the Faculty of Engineering, credited the achievement to the collaborative efforts of the management, faculty, and students.

Vice Chancellor Prof. VK Jain emphasized that this listing will create new avenues for research, innovation, and career development for CCSIT students. Dean of Academics Prof. Manjula Jain noted that this recognition reflects TMU's commitment to excellence and innovation in education.

Earlier, a ten-day AWS Cloud Infrastructure workshop trained 109 participants in 11 modules, including AWS Compute, Networking, Security, and Certification preparation, led by AWS experts. This initiative positions TMU as a regional leader in cloud computing education.

Physio Olympics Inaugurated under Fit India Week

November 21, 2024

Teerthanker Mahaveer University (TMU), Moradabad, launched a three-day Physio Olympics as part of the Fit India Week initiative, organized by the Department of Physiotherapy. The event began with a ceremonial ribbon cutting, lamp lighting, and a balloon release by Dean of Academics Prof. Manjula Jain, Dr. Neelima Jain, and Dr. Shivani M. Kaul, Head of the Physiotherapy Department. A vibrant procession of teams marching to the indoor sports stadium set an enthusiastic tone for the event.

The Physio Olympics features competitions in Cricket, Badminton, Volleyball, Tug of War, Long Jump, High Jump, Basketball, 100-meter Sprint, Kabaddi, and Kho-Kho, with six teams from the department participating. Prof. Jain highlighted the role of sports in enhancing physical and mental well-being, fostering teamwork, and building discipline. Dr. Kaul emphasized that the event provides a platform for students to showcase their talents and gain valuable experiences.

The first day included volleyball (men's) and badminton (women's) matches. In volleyball, BPT Third Semester Session B, led by Ali Abbas, secured victory, with players like Moinuddin and Shoaib Alam contributing significantly. In women's badminton singles, Sakshi from BPT Third Semester Session A, claimed the top spot, with Pallavi as runner-up.

The Physio Olympics celebrates unity, sportsmanship, and the joy of competition.

TMU Welcomes MBBS Batch 2024-25 with Orientation Ceremony

November 23, 2024 Medical College and Research Center inaugurated its MBBS 2024-25 batch with an orientation program at. The ceremony, held in the newly constructed Medical Lecture Theater, began with an inspiring address by Principal Prof. N.K. Singh. He congratulated the 250 new students for choosing a noble profession rooted in empathy and healing, marking the start of a transformative journey. Prof. Singh also highlighted TMU's achievement of receiving National Medical Commission (NMC) approval for an additional 100 MBBS seats.

Dean of the Medical College, Prof. S.K. Jain, welcomed the Principal with a bouquet, while Head of Pathology, Prof. Seema Awasthi, honored Vice Principal Prof. Preethpal Singh Matreja. Research Scholars Dr. Alisha Rai and Dr. Shahjeen Afaq coordinated the session.

Prof. Jain emphasized discipline, top-notch infrastructure, and a ragging-free campus environment, assuring students of holistic development through practical learning and extracurricular activities. Vice Principal Prof. Matreja encouraged hard work and introduced the Foundation Course. Prof. Awasthi humorously noted the faculty's dedication, ensuring full support to students.

Department heads, including Prof. Sadhana Singh (Community Medicine) and Prof. Jayvallabh Kumar (Physiology), shared insights. The event concluded with 147 students embarking on their medical journey.

Brahmotsav 2024: TMU Nursing Sports Event Kicks Off with Grandeur

November 23, 2024

Teerthanker Mahaveer College of Nursing and Teerthanker Parsvnath College of Nursing, Amroha, inaugurated "Brahmotsav 2024," a grand sports competition. The event commenced with a ceremonial release of peace doves and balloons by Vice Chancellor Prof. V.K. Jain, symbolizing unity and a spirited start.

The competition features 12 sports, including Carrom, Chess, Basketball, Volleyball, Throwball, Cricket, Tug of War, Kabaddi, 100-meter race, 400-meter relay, Javelin Throw, and Shot Put. Students were grouped into four teams—Agni, Vayu, Neer, and Akash—and showcased their enthusiasm and unity in a colorful March Past.

In his speech, Prof. Jain emphasized the importance of sports in shaping well-rounded personalities. He encouraged students to actively participate in such events alongside academics, highlighting how sports contribute to physical fitness, teamwork, and confidence. Prof. Jain also expressed his excitement to join the students in a cricket match during the event.

The inauguration was graced by distinguished guests, including Dr. Neelima Jain, Director of Governance, Dental College; Prof. S.P. Subhashini, Dean of Nursing College; and principals Prof. Shueli Sen and Prof. Jasleen M., along with Vice-Principal Prof. Ramniwas. Their presence enhanced the significance of this vibrant event, marking the beginning of an exciting sports journey for nursing students.

Prof. Vipin Jain Honored with Philanthropist Award

November 23, 2024 Prof. Vipin Jain, Dean of Teerthanker Mahaveer Institute of Management & Technology (TMIMT), received the prestigious Philanthropist Award for 2024. Known for his academic excellence, Prof. Jain boasts 214 research articles, 15 books, four projects, and 12 research awards. He has also donated over 200 books to the university library, reflecting his commitment to education and knowledge sharing.

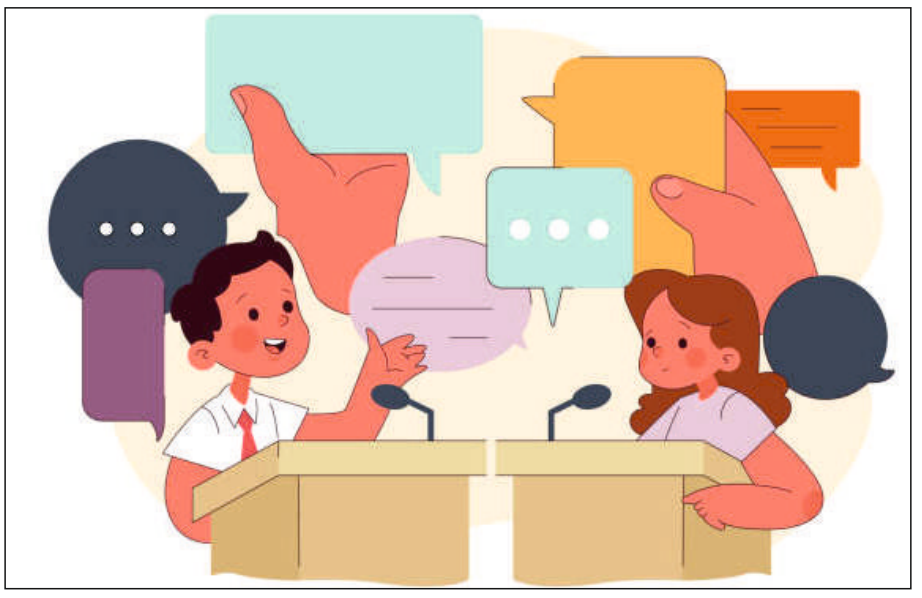

The award was presented by Prof. Manjula Jain, Dean of Academics, and Dr. Vinita Jain, University Librarian, during the National Library Week celebrations. The event also recognized Kavy Mittal, a TMIMT student, with the Best Library User Award for exceptional utilization of library resources in 2023-2024.

Organized by the Central Library, the event featured Ebscohost training programs designed to enhance research capabilities by providing access to high-quality academic resources. Mr. Ritesh Kumar, Ebscohost Trainer, highlighted techniques for accessing academic content efficiently.

A webinar titled Tools and Technology for Maximizing Academic Visibility and Impact of Research Output featured Dr. Nabi Hassan, Chief Librarian at IIT Delhi, who discussed bibliometric tools, citation analysis, and case studies. The event concluded with a research quiz, where Akanksha Arora, a research scholar, emerged victorious.

This celebration underscored the pivotal role of technology and libraries in advancing academic excellence.

Chirag and Anuj Shine in TMU Medical College Debate on Reservation

November 28, 2024 On the Occasion of Constitution Day, Medical College & Research Center, hosted a debate on "Reservation in Higher Education." Chirag Sikri and Anuj Verma, second-year MBBS students, emerged as winners.

Chirag, joined by Manik Seherawat, Aditya Kumar and Hardik Vohra, advocated for reservation, while Anuj, along with Rajul Jain, Aradhya Sharma, and Mansi Yadav, opposed it. Judges included experts from various disciplines, such as Law and Medicine.

The event also featured a lecture by Mr. Bishnanand Dubey, highlighting key constitutional features. Vice Principal Prof. Prithpal Singh Matreja honored the speaker, marking a day of intellectual engagement and learning.

Agriculture Premier League (APL)

The College of Agricultural Sciences inaugurated its three-day Agriculture Premier League (APL). The Vice Chancellor Prof. V.K. Jain launched the event with a ceremonial batting.

In cricket, the B.Sc. Agriculture second-year team defeated the fourth-year team by 67 runs. Harshvardhan's impressive 104-run knock led his team to a total of 197/2. The fourth-year team managed 130/6 in response.

In football, the third-year team triumphed over the first-year team by 4-1. The kabaddi match saw the third-year team overpower the first-year team, while the first-year volleyball team defeated the second-year team.

Prof. Jain emphasized the role of sports in fostering leadership, discipline, and teamwork. Dean Prof. P.K. Jain highlighted sports as a tool for holistic personality development. The event featured cricket, volleyball, football, kabaddi, badminton, chess and races, attended by faculty, coordinators, and enthusiastic students.

Executive Director Inaugurates Painting Exhibition 'Parampara'

December 02, 2024 Teerthanker Mahaveer University (TMU) Executive Director Mr. Akshat Jain inaugurated Parampara, a solo painting exhibition by Mr. Ravindra Dev, Principal College of Fine Arts. Held at the indoor stadium, the three-day exhibition showcases 41 artworks, including 25 Wash Paintings and 16 Watercolor Paintings.

The displayed Wash Paintings focus on themes like Lord Shiva's meditation and saintly portrayals, while the Watercolor Paintings depict landscapes, compositions, and animal-bird subjects. Women-centric paintings, celebrating femininity, are a major highlight.

Mr. Jain praised the vibrant artwork and emphasized preserving the traditional Wash Painting technique. He also engaged with Mr. Dev to understand the intricate methods involved. The exhibition, open from 9:00 AM to 4:00 PM, aims to inspire students and faculty to explore these art forms.

Human Rights Should Not Be Limited to Documents: Prof. Harbansh

December 10, 2024 Prof. Harbansh Dixit, Dean of the Faculty of Law, emphasized that human rights should not merely exist on paper but should be actively implemented in society. He stressed that ensuring the practical application of human rights is a collective responsibility. Prof. Dixit also discussed the historical development of human rights and the challenges they face today.

He shared these insights as the keynote speaker at a seminar organized by the College of Law and Legal Studies to mark Human Rights Day. The event began with the ceremonial lighting of the lamp, followed by a welcome speech. Dr. Sushil Kumar Singh, Principal, highlighted the role of educational institutions in promoting human rights, while Dr. Dalchand, NSS Coordinator, expressed his gratitude to the participants.

The seminar saw active involvement from faculty members, including Dr. Amit Verma, Dr. Sushim Shukla Dr. Namrata Jain, and others, who contributed to meaningful discussions on human rights.

MBA Student Rishabh Tops Speech Mastery Competition

December 04, 2024 Rishabh Agarwal, a seconder year MBA student at TMIMT secured the top position in the Speech Master 2.0 competition organized by the Center for Teaching, Learning and Development (CTLD). Sanyam Jain, a third-year B.Tech student, and Varsha Agarwal, a third-year BA-LLB (Hons.) student, earned second and third places, respectively.

The competition featured three challenging rounds: 'Hit the Ground,' 'Burn the Floor' and 'The Battlefield.' Out of 317 participants, 38 finalists delivered on-the-spot speeches judged by Mrs. Sunita Bhatnagar, Principal of Boni Annie Public School, and Mr. Mathew P. Alencheril, Principal of PMS Public School.

The event began with a ceremonial lamp lighting by the Vice Chancellor Prof. V.K. Jain and CTLD Director Prof. (Dr.) Pankaj Kumar Singh. Prof. Jain emphasized the importance of public speaking for career growth, while Prof. Singh highlighted its role in confidence building. Participants were given their speech topics only four minutes prior, testing their spontaneity and articulation skills.

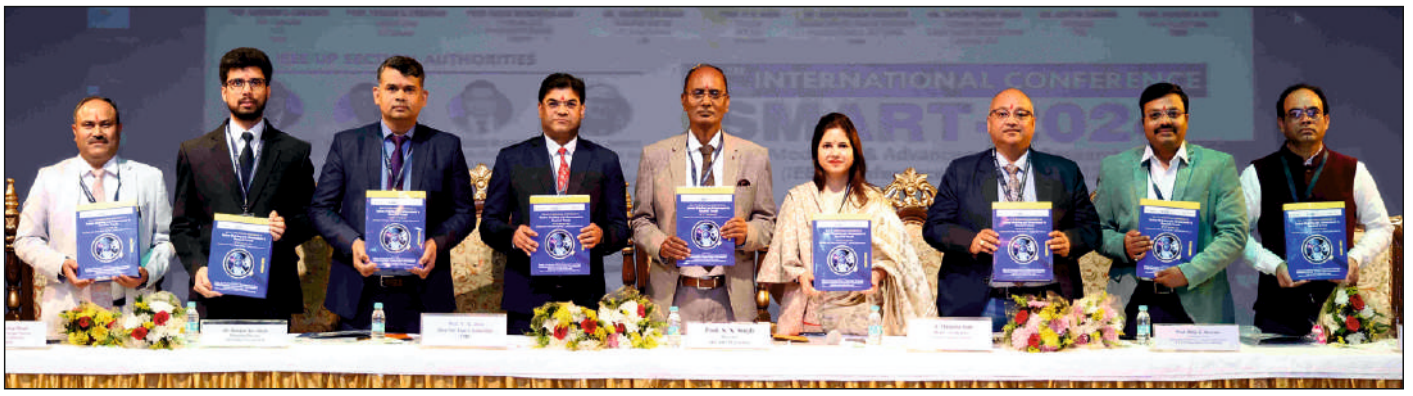

Akash Team Shines at TMU Nursing's Brahmotsav-2024

December 11, 2024 The Akash team triumphed at Brahmotsav-2024, the annual sports and cultural festival organized by Teerthanker Mahaveer College of Nursing, TMU, and Teerthanker Parsvnath College of Nursing, Amroha. Dominating the events, Akash earned the most medals and was awarded the Best Team trophy by TMU Vice-Chancellor Prof. V.K. Jain.

The event opened with a ceremonial lamp-lighting by Prof. Jain alongside dignitaries such as Registrar Dr. Aditya Sharma, Dean of Academics Prof. Manjula Jain, Dean of Student Welfare Prof. M.P. Singh, and others. Students showcased their talents in singing, dancing, poetry, and various sports events. Highlights included Neha and Vaishali's win in group singing and Priyanka Saini's stellar solo dance performance.

Sports coordinators, faculty, and staff, including Prof. Prerna Gupta and Dr. Sadhana Singh, ensured the festival's success. The vibrant competition concluded with performances and awards that celebrated the students' talent and teamwork.

AI: An Integral Part of Human Life, Say IT Experts

December 06, 2024 Computing Sciences and Information Technology (CCSIT) inaugurated the 13th International Conference, SMART-2024, themed System Modeling and Advancement in Research Trends. The event witnessed the presence of eminent experts and dignitaries who shed light on the pivotal role of technology in societal development.

The conference was inaugurated by Chief Guest Prof. S.N. Singh, Director of Atal Bihari Vajpayee Indian Institute of Information Technology and Management (ABV-IIITM), Gwalior. Prof. Singh emphasized that technological advancements like ethical AI, cybersecurity, and generative AI must focus on societal welfare. He remarked that the true measure of a technology's success lies in its user-friendliness and ability to meet societal needs.

The event began with a ceremonial lamp lighting, joined by dignitaries including Dr. Ravi Prakash Varshney (Executive Director, S&P Global), Dr. Ranjit Kumar Singh (Managing Director, SIFS India Forensic Lab), and Mr. Tapish Pratap Singh (Software Engineer, Google). Teerthanker Mahaveer University's Vice Chancellor, Prof. V.K. Jain, along with Dean of Academics Prof. Manjula Jain, Conference General Chair Prof. R.K. Dwivedi, and Conference Chair Prof. Ashendra Kumar Saxena, graced the event.

Prof. Singh was honored with the Academic Excellence Award, while Mr. Tapish Pratap Singh received the Young Technocrat Award. The conference featured 11 technical sessions across five tracks where 67 research papers were presented. The proceedings were officially released during the event. Dr. Sonia Jayant and Dr. Indu Tripathi coordinated the conference.

In his keynote address, Prof. Singh highlighted how technologies like AI and IoT have transformed modern life. Drawing from ancient Indian texts such as the Ramayana and Mahabharata, he connected modern innovations to concepts like the Pushpak Viman and guided arrows, emphasizing the need for historical context in technological advancement. Prof. Singh encouraged students to adopt qualities like hard work, commitment, and honesty while fostering self-exploration and innovation.

Dr. Saurabh Gupta, Advisor and Joint Secretary of the National Intelligence Grid, addressed the conference virtually. He emphasized India's leadership in global innovation and highlighted successful initiatives like UPI and UMANG. He discussed the critical roles of AI, blockchain, and IoT in shaping modern governance and infrastructure.

Prof. V.K. Jain stressed the importance of leveraging AI in education, research, and infrastructure development. He acknowledged AI's dual nature, urging students and faculty to focus on its positive applications while addressing potential drawbacks.

Dr. Ranjit Kumar Singh highlighted deficiencies in forensic technology, emphasizing the need for technological advancements to ensure timely justice. He advocated for cloud storage and regular CCTV maintenance to aid crime investigations.

Prof. Dilip Sharma, Dean of GLA University, Mathura, discussed the societal impact of fake news, describing it as a significant social stigma. He urged participants to verify news through reliable sources, cautioning against the dangers of clickbait and deepfakes.

The conference concluded with insightful discussions, encouraging participants to embrace technology responsibly. The event underscored the importance of AI and emerging technologies in shaping a sustainable and innovative future.

Embracing Technological Nationalism Wholeheartedly: Prof. Vinay

December 07, 2024 The 13th International Conference on "System Modeling and Advancement in Research Trends - SMART-2024," organized by the College of Computing Sciences and Information Technology (CCSIT) at Teerthanker Mahaveer University, concluded successfully.

Prof. Vinay Kumar Pathak, Vice Chancellor of CSJM University, Kanpur, delivered the keynote address as Chief Guest. Highlighting India's modest 3% share in global manufacturing technology compared to China's 17%, he attributed China's success to its commitment to technological nationalism. Prof. Pathak urged India to adopt a similar approach, emphasizing the importance of new ideas over degrees. Citing Taiwan's integration of semiconductor production in its universities, he called for greater focus on innovation, patent filings and startups to drive national progress. Quoting Atal Bihari Vajpayee's poem "Aao Phir Se Diya Jalaen," he inspired Indian youth to embrace translational research and product development.

The two-day event featured 20 technical sessions across 12 tracks, with 153 research papers presented by researchers from 16 Indian states and international participants from countries like the USA, Saudi Arabia, and Germany. Topics ranged from IoT and blockchain to robotics and biomedical engineering.

Notable awards included the Academic Excellence Award for Prof. Pathak and the Best Ph.D. Thesis Award for Dr. Bhupnesh Singh. The conference also showcased vibrant cultural performances, leaving a lasting impression on all attendees.

Alumni Reunion 2024: Strengthening Bonds for Society

December 14, 2024 The Alumni Meet-2024, organized by College of Nursing, celebrated the enduring connection between alumni and their alma mater. Vice-Chancellor Prof. V.K. Jain emphasized that alumni are ambassadors of their university and highlighted the importance of maintaining strong ties. Citing IIT Roorkee's 120-year alumni legacy, he called TMU's relationship with its alumni a societal blessing and unveiled plans for national and international reunions.

Themed "Confluence of Memories," the event began with a ceremonial lamp lighting by Prof. Jain and dignitaries including Prof. Nikhil Rastogi, Prof. S.P. Subhashini, and others. Alumni from across the globe shared their achievements and credited TMU's clinical training for their success. Cultural performances by juniors and shared moments of joy reflected the camaraderie between alumni and students. The reunion underscored TMU's commitment to fostering lifelong connections and future collaborations.

PharmaBiz 2024: Team Dopamine Triumphs in Pharmacology Quiz

December 19, 2024 The Department of Pharmacology, Medical College and Research Center, in collaboration with the Indian Society of Rational Pharmacotherapeutics (ISRPT), hosted the 7th Pharmacology Quiz, PharmaBiz 2024. Team Dopamine, comprising Ayush Srivastava and Gunika, clinched the title, followed by Team Bradykinin (Arav Jain and Pihu Chaudhary) in second place and Team Adrenaline (Hansika and Vanshika) in third.

The quiz featured five engaging rounds: "Kuch To Bolo", "Pehchaan Kaun", "Kar Bhala To Ho Bhala", "Kya Karein Kya Na Karein" and the intense rapid-fire finale, "Total Dhamal". In the final rapid-fire, Team Dopamine outperformed with their quick and accurate answers.

Participants from the MBBS 2022-23 batch qualified through a preliminary MCQ selection. Four teams—Dopamine, Bradykinin, Adrenaline, and Calcitonin—competed in the finals. Round themes ranged from drug identification and adverse reactions to mechanisms of drug action, combining academic rigor with interactive learning.

The event concluded with certificate distribution by esteemed faculty, including Prof. Seema Awasthi (Pathology), Prof. J.B. Kumar (Physiology), and Prof. P. Ushakiran (Biochemistry). Coordinated by Prof. Prithpal Singh Matreja and his team, PharmaBiz 2024 was a resounding success, enriching students' pharmacological knowledge and skills.

National Energy Conservation Day: A Commitment to Sustainability

December 21, 2024 The College of Computing Sciences and Information Technology (CCSIT), marked National Energy Conservation Day with a program emphasizing sustainable practices and energy conservation. The event, organized by the Institution's Innovation Council (IIC) and the Faculty of Engineering Entrepreneurship Development Cell (FOEEDC), began with a ceremonial lamp-lighting by Prof. RK Dwivedi, Dean of the Faculty of Engineering.

A video curated by CCSIT faculty member Mr. Pradeep Kumar Gupta highlighted the urgency of energy conservation and environmental stewardship. Prof. Dwivedi underscored the need for transitioning to renewable energy and cited the improved air quality during the COVID-19 lockdown as an example of reduced human impact.

Prof. Nitin Kumar Saxena stressed the importance of adopting renewable energy solutions, such as solar and wind power, while leveraging machine learning and advanced algorithms for optimization. Dr. Sankalp Goyal addressed critical environmental challenges, including plastic waste, industrial pollution, and vehicular emissions, urging collective responsibility.

Participants pledged to conserve energy, reduce pollution, and adopt sustainable practices. The event saw active participation from CCSIT leadership and faculty, concluding with a vote of thanks by IIC Coordinator Mr. Rajendra Prasad Pandey. The program inspired participants to embrace sustainability for a greener future.

Service is the True Purpose of Life:

Sh.Suresh Kumar Khanna

December 28, 2024 The grand convocation ceremony of Teerthanker Mahaveer University (TMU) for the 2022-23 academic session was a momentous occasion, celebrating the achievements of over 2,500 students. Held at the university's Moradabad campus, the event saw Uttar Pradesh's Hon. Finance and Parliamentary Affairs Minister, Shri Suresh Kumar Khanna, grace the stage as the Chief Guest. In his inspiring address, he emphasized that the true purpose of life lies in selfless service, encouraging students to look beyond material wealth and focus on making a positive impact on society.

Shri Khanna shared profound wisdom, inspired by great figures like Mahatma Gandhi, Dr. Sarvepalli Radhakrishnan, Dr. APJ Abdul Kalam and Chanakya. urging graduates to dedicate their lives to the welfare of others, a message He spoke about the transformative role of education, underscoring its potential to help individuals build meaningful careers. In particular, he highlighted the significance of good behavior and empathy, especially for medical and nursing students, noting that compassionate care has the power to heal the spirit even before medicine can heal the body.

The ceremony was a celebration of academic excellence, as 51 Gold, 50 Silver, and 51 Bronze medals were awarded to top-performing students. Additionally, 19 researchers were awarded Ph.D. degrees for their significant contributions to their fields.

The event began with the ceremonial lighting of the lamp by Shri Khanna, accompanied by several distinguished figures, including Hon. Agriculture Minister of U.P., Shri Baldev Singh Aulakh, Shri Arvind Goyal, TMU Chancellor Shri Suresh Jain, Group Vice Chairman Shri Manish Jain, Executive Director Shri Akshat Jain, Dr. Jaipal Pal Singh Vyast, Dr. Hari Singh Dhillon, Shri Gopal Anjan, and Vice Chancellor Prof. VK Jain, among others. The dignitaries expressed their sincere appreciation for the university's progress, highlighting the crucial role of service and education in shaping the future of both students and the nation.

Shri Suresh Jain reflected on the university's progress, emphasizing the goal of making TMU one of the world's top universities. He urged graduates to remain humble, disciplined, and dedicated to lifelong learning. The convocation also featured a cultural procession, led by Registrar Dr. Aditya Sharma, showcasing India's diverse cultural heritage through regional dances performed by students.

Shri Khanna praised the university's efforts during the COVID-19 pandemic, particularly the services rendered by the TMU Multi and Super Speciality Hospital. He commended the medical staff for their tireless work and urged students to follow in their footsteps, maintaining compassion and dedication in their future careers.

In his closing remarks, Shri Khanna celebrated India's growth as a global economic

power, noting that the country had surpassed the UK to become the fifth-largest economy. He outlined a vision for a developed India by 2047, applauding the leadership of Prime Minister Narendra Modi for guiding the nation toward this goal.

The convocation ceremony was a testament to the hard work and perseverance of the graduates, the faculty and the entire TMU community. It marked the beginning of a new chapter for the students, filled with opportunities to contribute to society through education, service and compassion.

TMU Witnesses Magic of Meet Brothers at Annual Cultural Meet "Rock On"

December 29, 2024

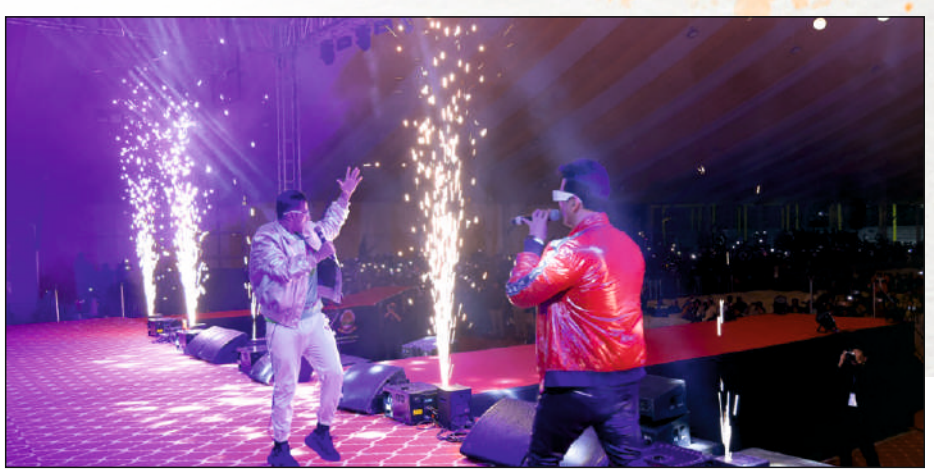

Teerthanker Mahaveer University (TMU) set the stage ablaze during the 2024 Convocation Ceremony as the iconic Bollywood music duo, Meet Brothers—Manmeet Singh and Harmeet Singh—mesmerized the crowd at the university's annual cultural event, Rock On. Thousands of students gathered under dazzling lights for an unforgettable night of music, energy, and celebration, as the atmosphere was filled with rhythm, whistles, and applause.

The duo kicked off their performance with the famous track "Baby Doll Main Sone Di," sending the audience into a frenzy. The crowd's excitement intensified as the brothers performed their hit songs, including "Chittiyan Kalaiyan," "Dil Le Gayi Kudi Gujarat Di," and "Tanu Kala Chashma." The energy in the venue was contagious, with students dancing and singing along, despite the chilly December air. The evening was a spectacular celebration, ushering in the New Year with enthusiasm.

The event was graced by several notable figures, including Chancellor Shri Suresh Jain, First Lady Smt. Veena Jain, GVC Shri Manish Jain, and Executive Director Shri Akshat Jain, adding grandeur to the celebration.

The Meet Brothers' journey to stardom has been nothing short of inspiring. Hailing from Gwalior, they transitioned from aspiring film heroes to one of Bollywood's most famous music duos. With hit tracks like "Pink Lips," "Hangover," and "Chittiyan Kalaiyan," they have become a household name. Their collaboration with Bollywood actress and singer Sunny Leone played a pivotal role in their success, composing her upcoming songs.

With their infectious energy and catchy melodies, the Meet Brothers continue to captivate audience's worldwide, spreading love through their music.

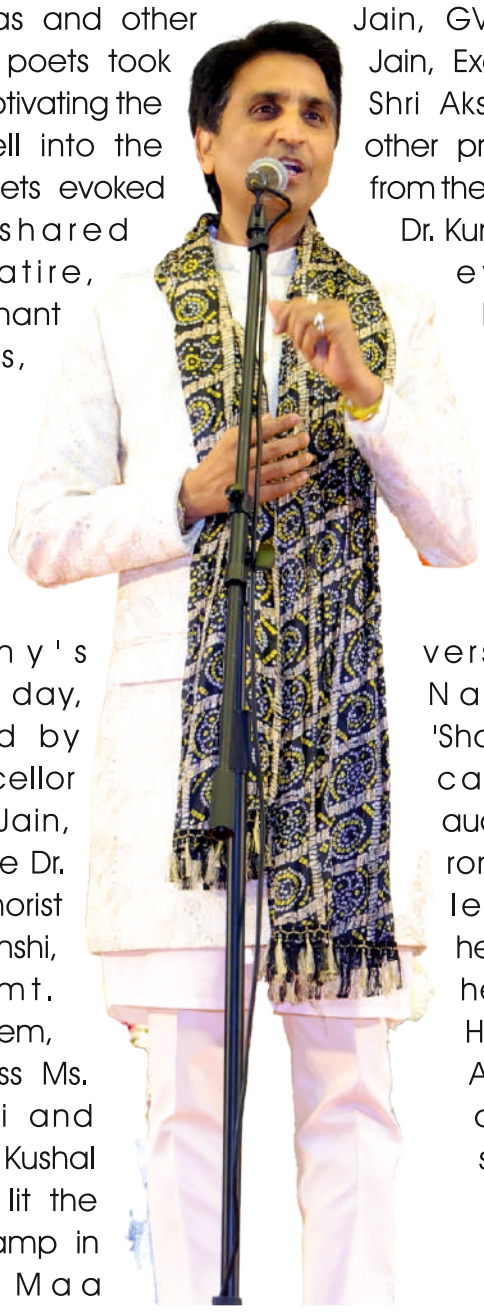

TMU Witnesses a Fusion of Romance, Patriotism and Humor at Poetry Recital

December 30, 2024

Teerthanker Mahaveer University (TMU) hosted an enchanting evening that blended love, patriotism, and humor, as renowned poet Dr. Kumar Vishwas and other distinguished poets took the stage, captivating the audience well into the night. The poets evoked laughter, shared political satire, recited poignant love poems, and stirred patriotic sentiments.

The event, part of the convocation ceremony's concluding day, was graced by TMU's Chancellor Shri Suresh Jain, who, alongside Dr. Vishwas, humorist Shri Anil Agrwanshi, shayara Smt. Mumtaz Naseem, young poetess Ms. Sakshi Tiwari and humorist Shri Kushal Kushalendra, lit the ceremonial lamp in honor of Maa Saraswati. The poets were honored with garlands, shawls, and mementos as tokens of appreciation. The event also attracted distinguished dignitaries, including First Lady Mrs. Veena Jain, GVC Shri Manish Jain, Executive Director Shri Akshat Jain, and other prominent figures from the city.

Dr. Kumar Vishwas, the event's host, began by paying tribute to Moradabad and its literary heritage, before delivering his celebrated verses. Mumtaz Naseem, the 'Shayara of Love,' captivated the audience with her romantic poetry, leaving young hearts moved by her expressions. Humorist Anil Agrwanshi added political satire, eliciting laughter with his witty remarks on political leaders.

Young poetess Sakshi Tiwari stirred patriotic fervor with her poem "Vande Mataram Kaho Ji," urging the audience to honor martyrs. Humorist Kushal Kushalendra entertained the audience with clever poems on politics and romance, making the evening a true celebration of poetry, humor, and national pride. The event was a grand success, filled with laughter, emotion, and deep patriotism.
